Mrs. Thompson -
I will miss you
very much in the
years to come and
I will never forget
all the lovely things
you taught me in
Art I + II. May God
Bless you and keep you.

Come hither all, hear the story I sing.

It is one that ye maun well know.

Yet I am speer'd tell it again and again
for gude hearts cherish it so.

Meikle ye have heard of that sheyne fell,
where woon wisdom and youth.

Aye, but tis more than mere roosing and praise.

I know it meself as the truth.

Anne Miller Rook

Mrs. Thompson
Thanks for bringing
me up.
Glad to be.

Mrs. Thompson,

I Love you! What else
can I say? You are life, Love,
and happiness. I hope you always
ARE. You are great & I shall miss
you!

Love is Life
Betty Halley

Synonymous with Spirit

The band tunes up and the Alma Mater begins, familiar and loved to some, unaccustomed and exciting to others, symbolizing a transition in life.

Football games, pep assemblies, and other traditions resume unchanged, unchanged but important because they are ours.

Autumn comes and life begins again on Wildcat Hill.

Wildcat
Hill —

Mr. Thompson,
I have really enjoyed
being in your class. At
the beginning of the year,
I didn't quite know what
to do with myself. But,
you've taught me to do
my own thinking and
to use my own ideas.
That in itself is invaluable!

Imparting Ideas and Actions

"As far as I'm concerned, there is nothing taught to the student more important than communication."

"If a child cannot communicate, it is a greater handicap than the loss of a limb ... reading, writing, speaking, that's communication!"

--Mrs. Sue Perry

Three years of English Literature and composition, journalism, creative writing, speech and debate make up the Communications Department on Wildcat Hill.

Recognized as one of the best in the state, this department offers the student excellence in teaching and curriculum.

Mrs. Sue Perry, in addition to her duties as head of the Communications Department, teaches two classes of sophomore Honors English and two of regular English.

Mrs. Gale Eddins, completing her first year on the Hill, teaches Senior English.

Mrs. Vada Cowan teaches two classes of senior Honors English.

Knowing her love for owls, the students in Mrs. Diane Hendrick's senior English classes presented her with this fine specimen.

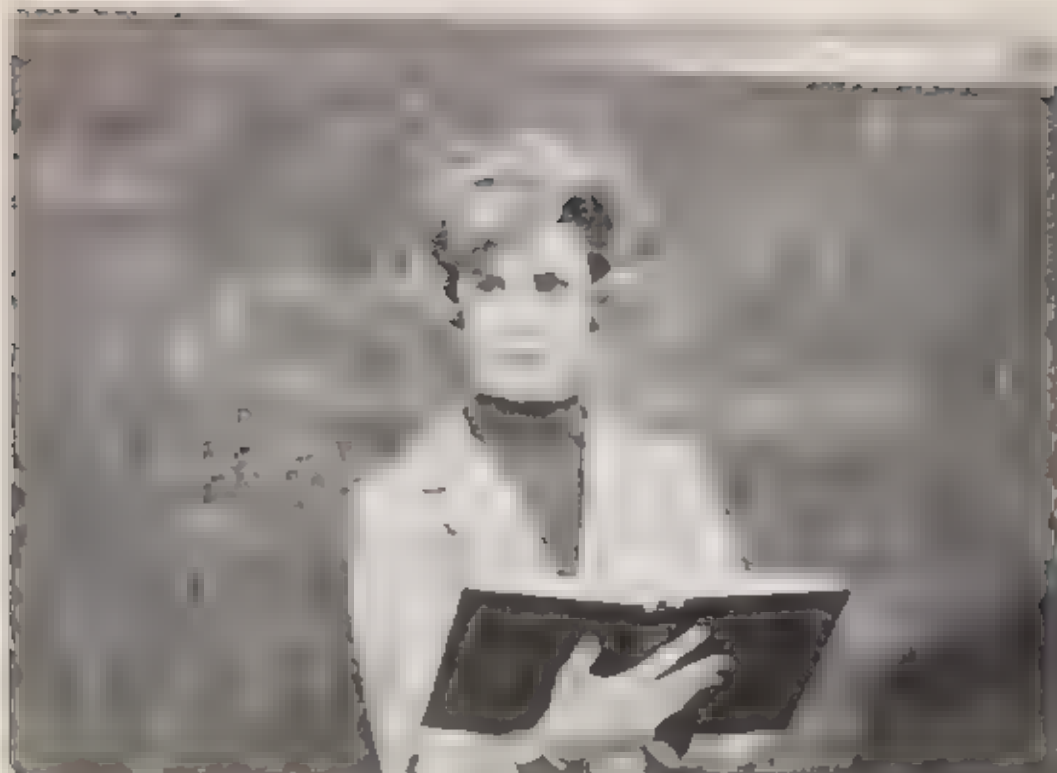

An accomplished organist, guitarist, and cartoonist, Mr. Bill Garvin teaches regular and basic senior English.

A newcomer to the Hill, Mrs. Brenda Tackett took over the senior English classes formerly taught by Mrs. Billie Jo White.

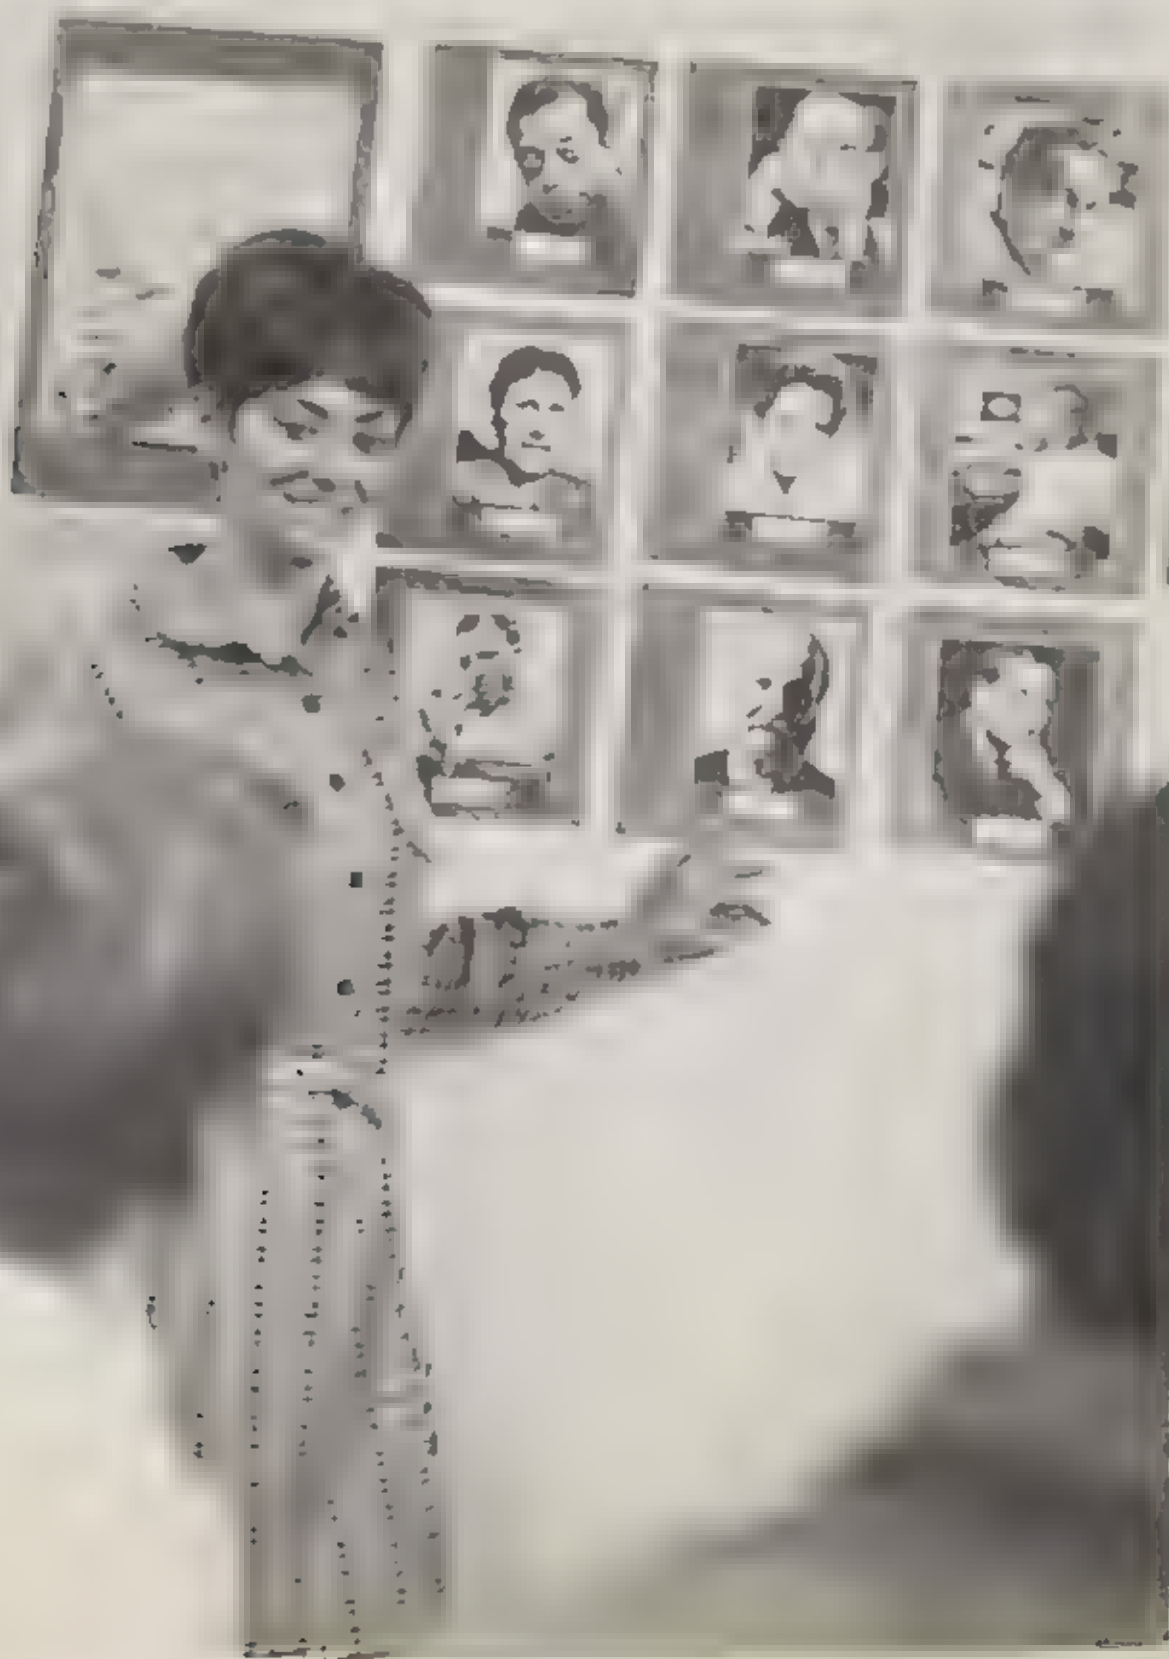

Reading

Former Wildcat cheerleader, Mrs. Kathy Thompson returned to her Alma Mater to teach junior English.

Mrs. Wyonne Swafford greets her Senior English students cheerfully.

Mrs. Sue Wolfe discusses famous people in literature with her junior English class.

Mrs. Lynn Tarkington educates sophomore students in the art of English.

Former NLRHS Hi-Comet Editor and cheerleader, Mrs. Jane Ann Harper teaches sophomore English.

Mrs. Lucille Cook adds some outside information to make her junior English class more interesting.

Miss Frankie Greco enjoys her third year on the Hill as a sophomore English teacher.

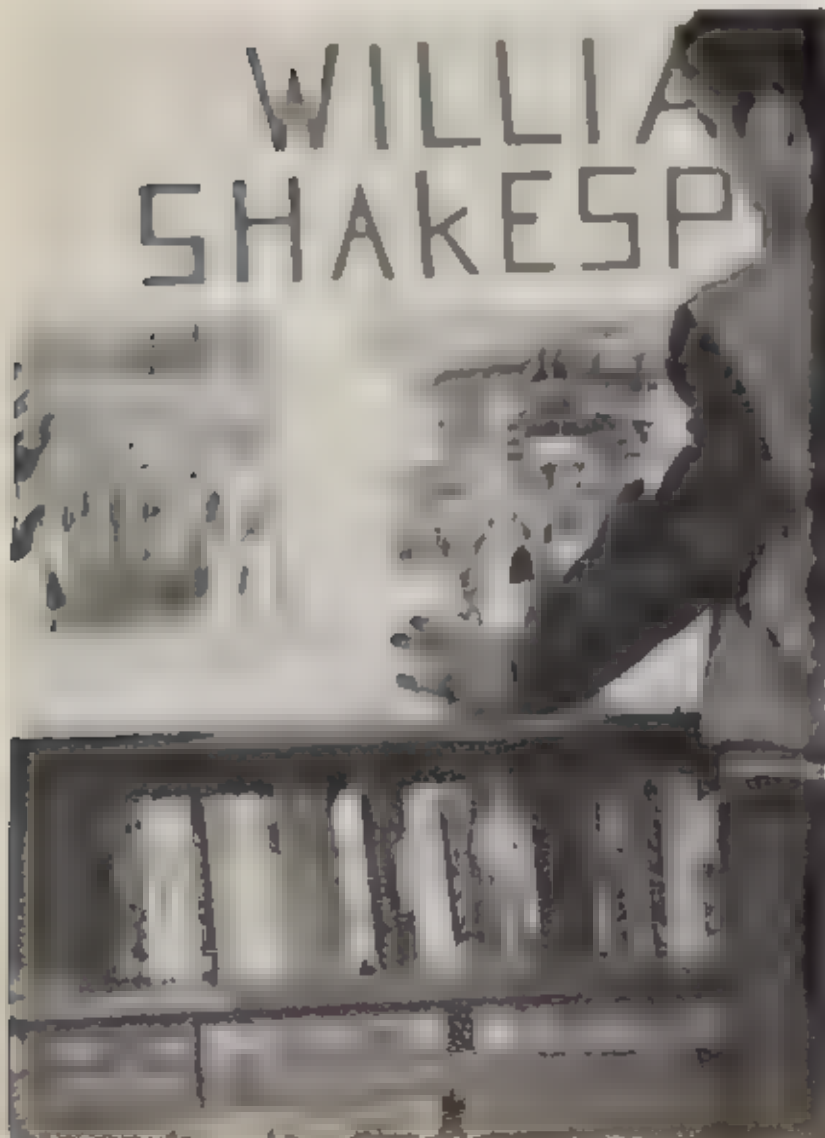

'Speaking

Miss Carol Carter teaches Junior English.

Mrs. Emogene Wetherington joined the NLRHS faculty at semester. She teaches Junior English; honors and regular.

Miss Mariella Stone creates a casual learning atmosphere in one of her Junior English classes.

Speech and Debate Students Gain Valuable Experience

Mr. Ray Poindexter is Wildcat Hill's only debate instructor; he also teaches three classes of speech and one of basic English.

Debate students (above and left) prepare their various topics, while (below) speech students get ready to "broadcast" in a simulated radio program.

One of the most valuable assets a person can possess is the art of speaking. Whether in public or in private, the ability to express one's self coherently is of vital importance.

The speech and debate classes at NLRHS are noted for the excellent facilities they offer to students interested in the speaking arts. The various speaking techniques are studied along with the basics involved with delivery --- poise, diction, and pitch.

This year's debate team won six out of the eight debates in which they participated.

Journalism Records Life and Happenings

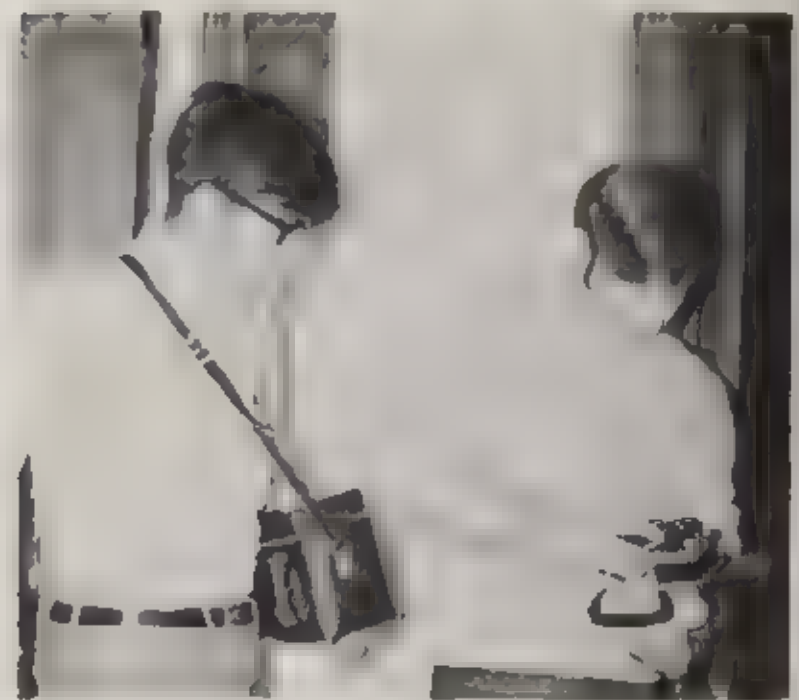

Whether meeting deadlines, selling ads, making pictures, or typing stories, the journalism department on Wildcat Hill always manages to publish an outstanding paper and yearbook, the Hi-Comet and Wildcat.

(above) Hi-Comet editors Patti Stanley, Louise Pace, and Debbie Bowker work diligently on the paper while (below) Annual editors Beverly Sawyer, Dee Schulten and Linda Napper mount pictures for the '70 Wildcat

Miss Katye Lou Russell, Journalism and Creative Writing instructor.

Staff photographers Ron Stone and Jimmy Sebring get ready for another shot.

Linda Jones, staff member and also Creative Writing student readies manuscript.

Creative Writing students Debbie Martin, Dick Hammons, and Lyn Jones search for material for their short stories.

Creative Writing Fosters Identity

Creative Writing is a class designed for the student who wishes to improve his self-expression. An informal course, the students are encouraged to write from their own ideas and thoughts by means of short stories, biographies, poetry, and plays. In its third year on the Hill, Creative Writing has proved to be a very popular course for the independent student with a mind of his own.

John Herndon, Alan Leveritt, and Connie Hoxie discuss their favorite authors in a class lab period.

Languages— The Voices of Different Countries

Miss Jean Crumby, the only French I teacher, operates the master panel in the new language lab.

Mrs. Sara Helms, head of the language department, teaches Latin I and III.

The study of a country's language brings together the thoughts and customs of different peoples. The language department on Wildcat Hill, one of the best equipped in the state, strives to unite the speech and actions of our foreign neighbors with our own.

Spanish students make use of the modern equipment added this year to the language department.

Mrs. Nancy Joan Vela, new to the North Little Rock faculty, is an instructor of Spanish I and II.

Mr. William C. Beard teaches a dual course consisting of Spanish II and French II.

American History Explores Frontiers

"Men who do not know their country's history are doomed to repeat it. I put that on the board once and it was amazing how many students remembered it."

--Dr. Jean Fleming

American History is a study of our land's heritage and cultures as they have progressed through the years. A required subject for graduation, American History is a necessity for a student to learn and profit by others mistakes.

Dr. Jean Fleming, a resident of the Hill for many years, teaches American History and is a favorite with her students.

A newcomer to Wildcat Hill is Mrs. Ann Smith, teacher of American History.

Always with a ready smile is American History Instructor, Mrs. Dorothy Priddy.

Aside from his American History classes, Mr. Carl Moore is sponsor of the Key Club

History bulletin boards reflect things of vital importance to today's student.

Mrs. Kyle Baldwin took over Mr. Charles Thompson's American History classes upon his departure at semester.

Another newcomer to Wildcat Hill during the second semester was Mrs. Patricia Barker, who took over Mrs. Grace Mosley's American History classes.

Students learn about the world around them by reading magazine and newspaper articles pertaining to the topic studied.

*Economics, Government
Supply Valuable Experience*

Mr. John McKinnon is the only Economics and American Government instructor at NLRHS. Here he assists some of his students in a project being prepared for presentation.

A relatively new course on Wildcat Hill, Economics and American Government offers the interested student insight into the complicated world of government and economy. Many teaching aids are used to enhance the course including a session in which students were representatives of various imaginary countries.

World History and Geography

Investigate Civilizations

Mr. Don Robbins, teacher of World Geography is completing his second year at NLRHS.

A textbook is never adequate. Mr. Roger Reaves prepares a bulletin board to add interest to his classroom.

World History is taught by Mrs. Louise Cammack with the help of many visual aids.

World History and World Geography offer the student an introduction to the world and its many cultures, civilizations, and landmarks. It enables the student to travel in his classroom, visualizing other peoples and their way of life.

Human Relations- Life in Action

Getting along with others is one of the first things a student learns when he enters the busy world at NLRHS. Human Relations is a course especially designed to make one aware of his relation to others.

Ms. Gariand Beavers, veteran instructor in Human Relations, greets her class with a smile.

Col. James R. Parker is a highly skilled instructor in Human Relations.

Transacting Business and Exchange

"Teaching business subjects is such a pleasure! Whether the training is for personal use or for vocational use, it is gratifying to see students develop skills with a definite purpose. And with the addition of new equipment in the department this year, we feel that we can do an even better job."

.....Mrs. Mary Hendrickson

State Business Teacher of the year.

Mrs. Mary Miller, Commercial Department head, decides on the day's assignment for her typing I classes.

Mrs. Mary Louise Schmidt teaches Bookkeeping and Accounting.

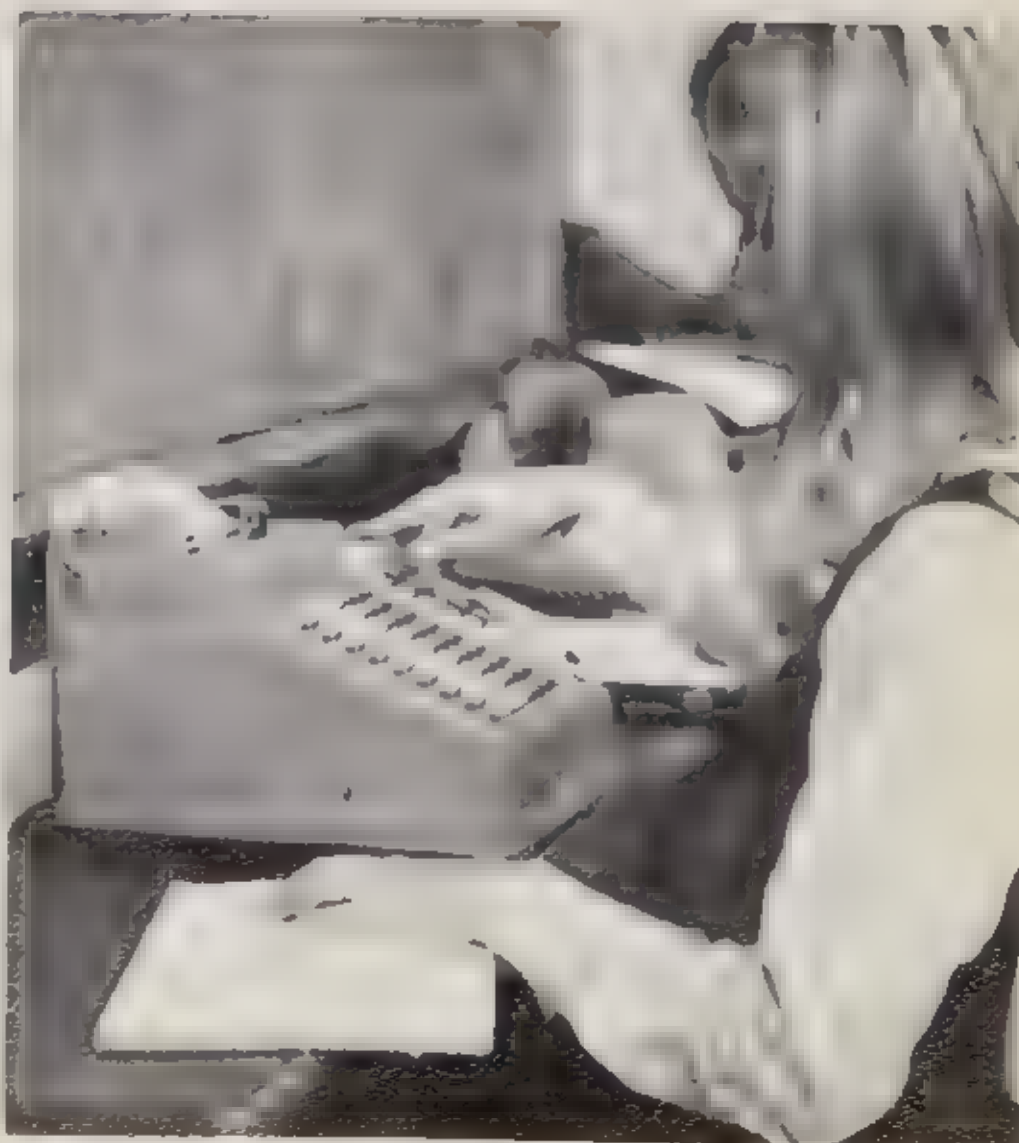

Mrs. Phyllis Fisher grades papers from her Office Practice classes.

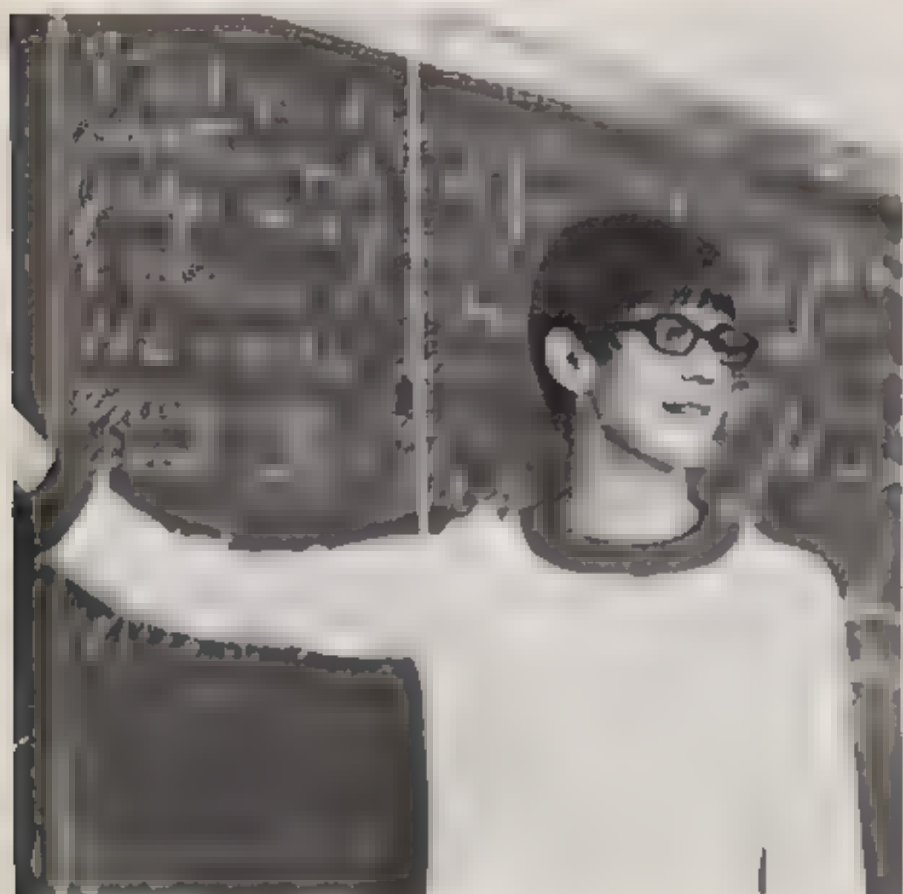

Mrs. Patricia Donahey, a 1955 alumna, teaches Typing I.

Mrs. Carolyn Garner starts her first semester on the Hill as a Typing I teacher.

Miss Kathleen Cooper teaches Business Principles and Business Law.

New to the faculty on Wildcat Hill is Miss Jane Sparrow, who also teaches Business and Business Law.

FBLA Prepares for Business World

Future Business Leaders of America are commercial art students who plan careers in the business world. All of them are skilled in secretarial and office techniques and many serve as monitors to faculty members.

The 1969-1970 FBLA officers are (bottom row) Eris Harris, president; JoAnne Klassen, recording secretary; (top row) Doris Thirion, corresponding secretary; Dianne Pharr, treasurer; Brenda Hughes, 2nd vice-president; and Donna Shuffield, 1st vice-president. Not shown is Gayle Camp, Reporter.

Aside from her Secretarial Techniques and Typewriting classes, Mrs. Mary E. Hendrickson sponsors the FBLA.

Mrs. Betty Dempsey teaches Shorthand I, and has taught at NLRHS for three years.

Inquiring Into Life and Matter

Math gives students an opportunity to develop skills in reasoning, logic, and discipline. Without them, a vital part of a students' educational need would be lost.

North Little Rock High School offers a well developed math program to it's students, consisting of the intricacies of trigonometry and calculus to the basics taught in general math.

Mrs. Nora Lee Lawless, instructs Geometry in addition to her duties as head of the math department.

Mr. Raymond Simon explains an Algebra II problem to Tommy Piker.

General Math Provides Foundation

Mrs. R. L. Pringle teaches general math and Geometry.

Mr. Jerry Huddleston prepares for his general math classes. He also teaches business arithmetic.

Algebra— the Middle Math

A great favorite among all NLRHS students, Mr. Raymond Simon teaches accelerated and regular Algebra II.

Mrs. Phyllis Simon lectures to one of her Algebra II classes on expanded equations.

New to the NLRHS faculty, Mrs. Carol Snaders teaches Algebra I and general math.

Mrs. Helen Weeks, a familiar face on the Hill, teaches Advanced Math, Calculus, and Trigonometry.

Advanced Math Teaches Principles

Higher Mathematics-Trigonometry, Calculus, and Math Analysis, are designed for the student who wishes to increase his knowledge of the world of mathematics.

Sandy Sandusky and Louise Pace discuss one of their mathematical problems.

Travis Parr uses a chart on common functions to explain a problem to the class.

Rickie Porter and Mike Blasingame prepare their homework in Trigonometry.

Business Arithmetic Is Practical

Miss Janet Szczyplen, a newcomer to the NLRHS Math Department teaches Business Arithmetic.

Mr. Drew Kelso has a threefold purpose on Wildcat Hill as instructor of General Math, Algebra I and II

Nu Lambda Rho Solves Problems

Nu Lambda Rho officers are: Roger Fowler, President, Marcy Demoney, Vice President, Kathy Herrington, Secretary, Sharon Ashberry, Treasurer

In the classroom and before school in math study hall, Nu Lambda Rho members seek for themselves and others an understanding of math principles.

Physics.

Energy in class.

"The challenge of the science class: to educate people in what nobody knew yesterday, and prepare in our schools for what no one knows yet, but what some people must know tomorrow.

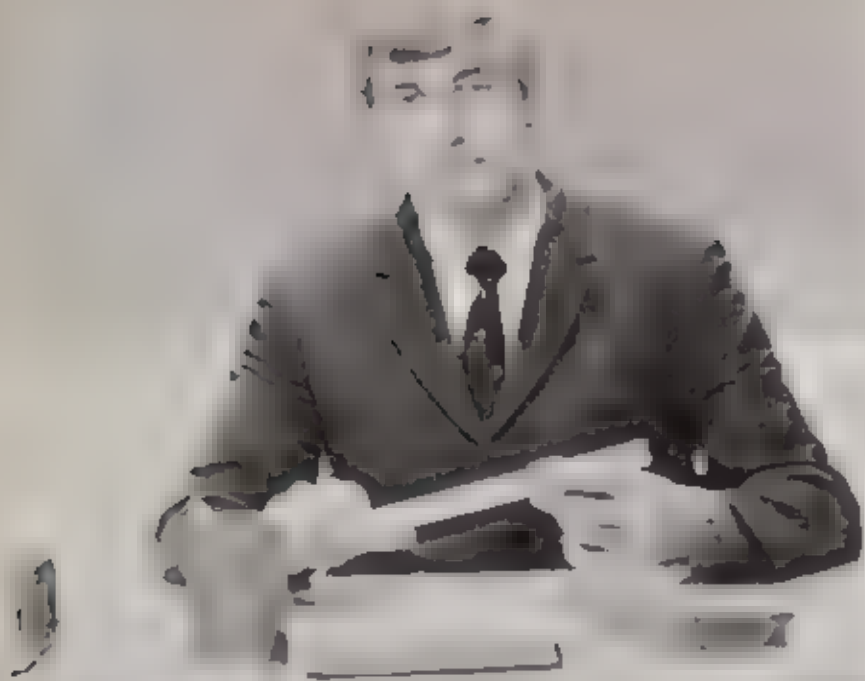

"No one can claim an all-around education without some understanding of it."

---Mrs. Rheba Taylor

The Science department on Wildcat Hill includes the many facets of science from biology to physics. Students are offered various courses for their particular interests and needs, and are given the best possible guidance.

Chemistry Explores Composition of Life

Mr. A. H. Rutherford, a former NLRHS student, instructs students in the science of chemistry.

Senior Sandy Sandusky performs an experiment in the chemistry lab.

By exploring the sciences through the eyes of chemistry, Mr. A. H. Rutherford brings interest in to the classroom with the aid of modern labs and new equipment.

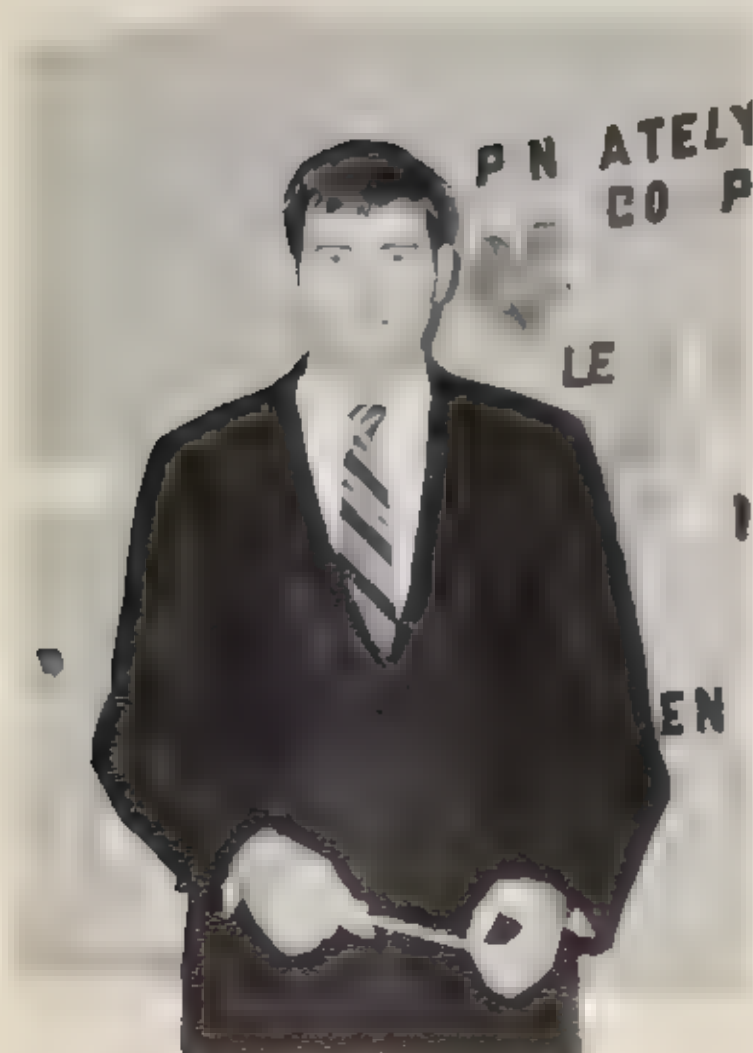

Biologists Study Living Things

Mrs. Mary Emma Hess helps students in biological studies.

Fascinated students prepare a lab slide.

Mr. Jon Robbins lectures to his class on plant life.

Sophomore girl learns the correct way to dissect a frog.

Miss Mary E. Law laughs with her biology class while conducting an experiment.

left to right: sophomore, turtle, sophomore

Biology, the study of life, brings the student closer to the hows and whys of living organisms. At North Little Rock, a student is given the best possible instruction in both the classroom and the laboratory.

*Life and Unified Science—
Adventures in Learning*

Mr. Richard Vaughn, new to the Hill, teaches Unified Science and Chemistry.

Mrs. Joy Troy, and alumna of NLRHS, is serving her third year as Life Science teacher.

Mr. Vaughn aids his students in a Unified Science experiment.

*Theta Science 'Tri Chem
Further Interests in Science*

Theta Science Officers are: Gary Matson, Kathy Herrington, Tommy Carpenter, Larry Ketcham and Rosemary White

Tri-Chem officers are: Roger Fowler, Pam Starkey, Larry Ketcham, Tommy Carpenter, Kathy Herrington, and Sharon Ashberry

Future Homemakers Learn the Art

Mrs. Anne W. Browder relaxes in the department living room between classes.

Mrs. Billie Robinson, head of the Homemaking Department, exchanges ideas with practice teachers.

"Home Economics is a necessary part of every girl's educational program. We try to keep the program current to meet the needs of the homemaker today."

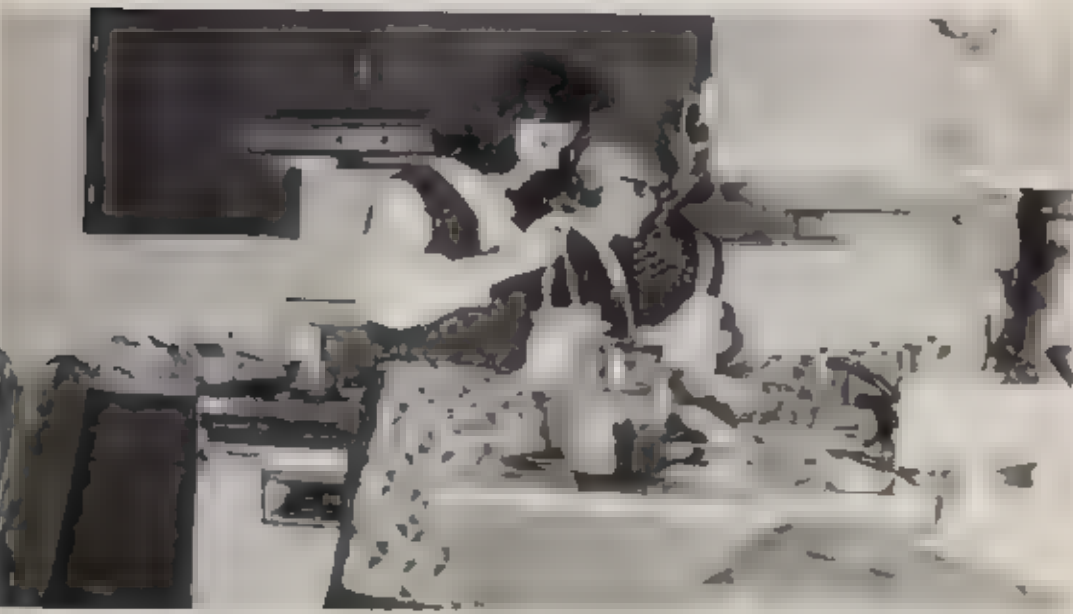

--- Mrs. Billie Robinson

Areas included in the NLRHS Home Ec program are human relations, child care development, foods, consumer education, management, clothing and housing.

Mrs. Marjorie Kirby assists Linda Brewster in the sewing lab.

Future Homemakers Officers: (sitting) Melinda Mills, first vice-president; Stephanie Brown, secretary; Jeanne Bennett, president; and Debbie Bates, third vice-president. (standing) Bette

Cornelius, reporter; Beckie Robbinette, treasurer; Jerri Lyons, historian; and Judy Johnston, second vice-president.

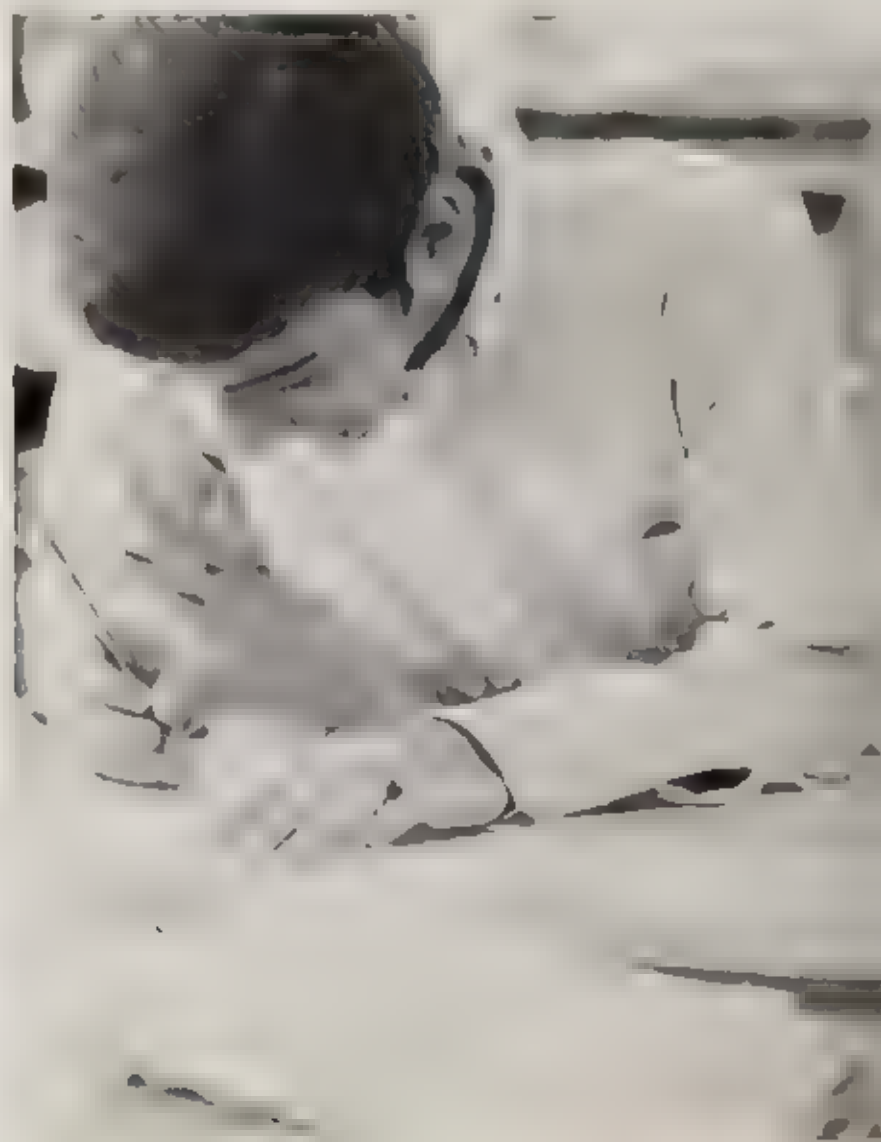

Forging Skills and Materials

To create ... invent ... to make something work ... to give form or shape where there was none before. It takes skill to do this, not acquired, but developed and perfected.

Vocational Arts offers this opportunity to Wildcats willing to begin with themselves, materials and a plan. Mechanical drawing, woodwork, electronics, auto mechanics, machine shop, arts and crafts, all begin this way and grow into a useful ability.

Mr. Michael Regauld assists a student in preparing a plate in Mechanical Drawing. Mr. Regauld teaches Mechanical Drawing I and II.

*Combining Mind, Matter
In Crafts, Electronics*

Mr. John Doolos has a dual job as teacher of both Electronics and Related Science and Math. Right-An Electronics student puts his skills to use in building a radio.

Mr. James Sparks, crafts instructor, talks with a student

Machine Shop - Preparing for Industry

Mr. Robert Callahan is the instructor in Machine Shop.

Machine Shop consists of a two year course in the use of industrial machines, designed to prepare a student for jobs requiring an occupational skill.

*Woodwork —
Art and Profession*

Mr. Samuel Phillips, woodwork teacher, shows students the art of perfection in creating materials from wood.

Auto Shop— Mechanical Laboratory

Mr. Eulin Downing heads the Auto Shop.

Students interested in entering auto mechanic professions find their niche in the Auto Shop. They learn how to cope with motor problems by having to solve them.

Related Science and Math, VICA

To learn and to perfect is the aim of the Related Science and Math classes. Among the many fields taught is the art of blue-print reading and blue-print design.

Here in the Related Science and Math class, students are taught to solve problems dealing with everyday occurrences.

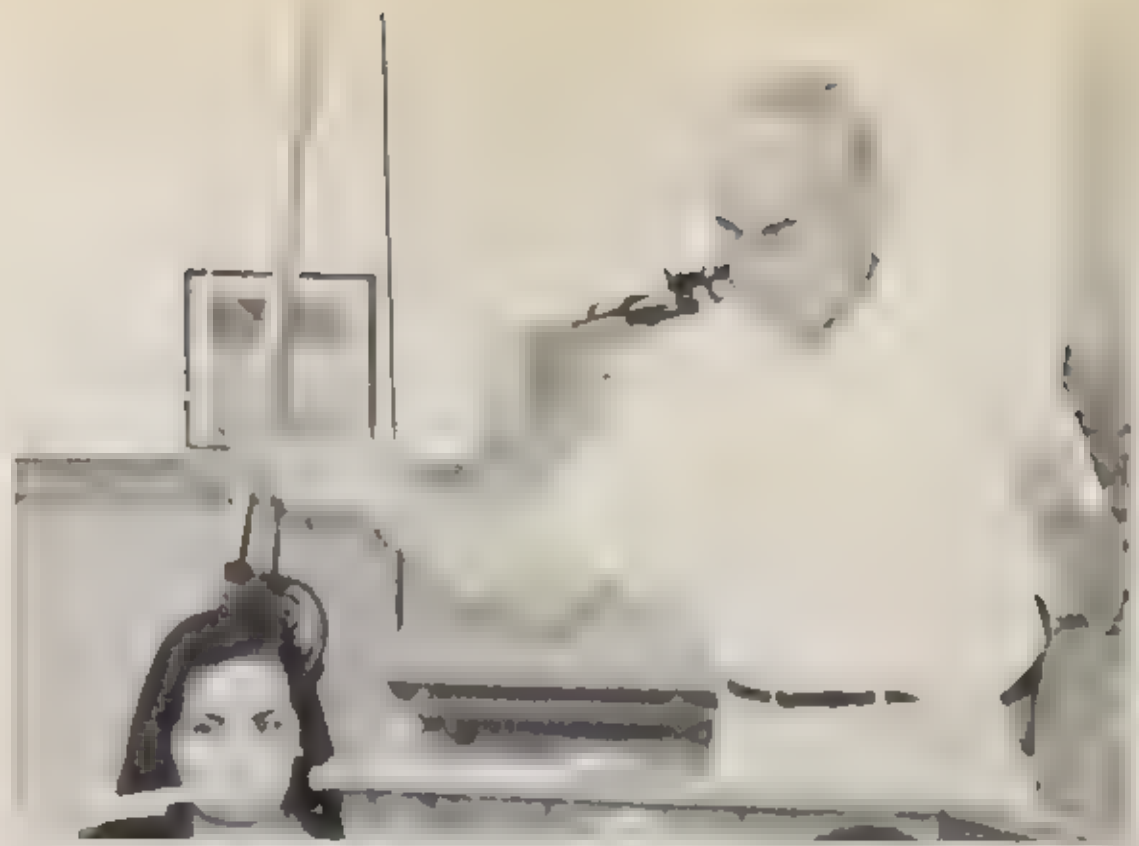

The 1969-1970 VICA Officers display the club's insignia.

Mr. Gerald Nicholson teaches Related Science and Math plus classes in Machine Shop and Blue Print Reading.

The Vocational Industrial Clubs of America, better known as VICA, is made up of interested students who plan to make a career of vocational arts. Each member is urged to participate in various contests and further his knowledge of vocational fields.

Band Boasts Many Honors

Mr. J. Raymond Brandon is director of the Wildcat bands and chairman of the Fine Arts department.

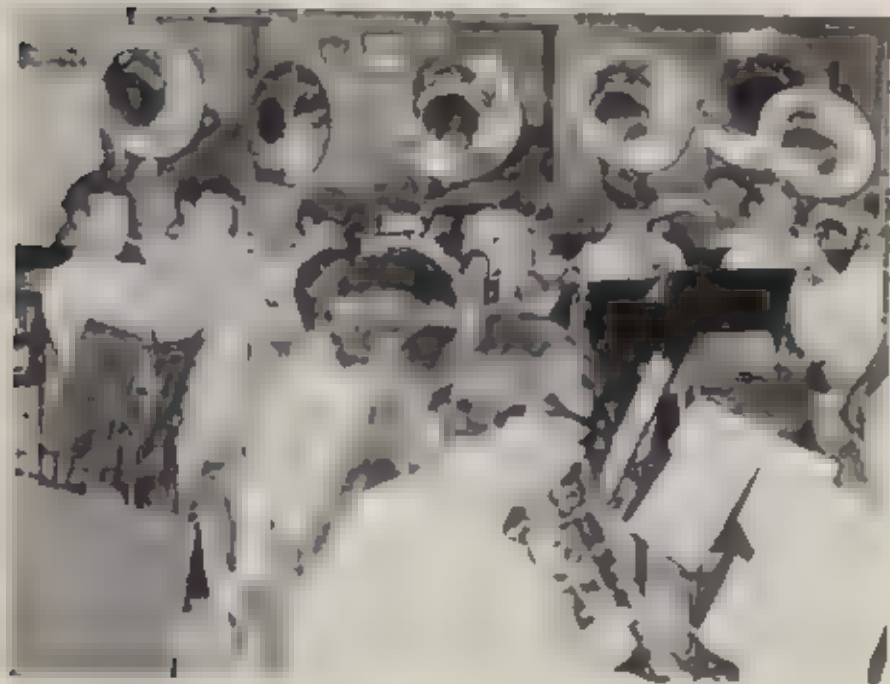

Assistant director of the bands is Mr. Ron Bryant, completing his second year on the Hill.

Besides being one of the biggest and best high school bands in the state, the Wildcat band has been a part of almost every activity on the Hill. It has represented the high school at all of the home football games and several out of town events.

The band always puts on a near-perfect performance and adds an air of excitement and spirit supporting the various Wildcat teams.

Practice, practice and more practice leads to perfection in every Wildcat band performance.

Intricate formations added much to the Marching Band's many performances.

Sporting brand new uniforms this year, the band looked great on the field as well as off.

Under the leadership of Drum Major Robert Allain, the marching band rehearses constantly in order to present their perfect performances.

Concert Choir Attains Unity Through Music

A group of 64 mixed voices comprise the 1969-1970 Concert Choir. Much rehearsal and preparation are required for the choir to be satisfied that their performances are of a standard expected of North Little Rock High School students.

Aside from singing at school assemblies, the choir was honored by many invitations from outside the school including a performance at the A.E.A. convention, and a Christmas Eve spot on television.

Aside from his duties as head of the Choral Music Department, Mr. Clarence S. White teaches four classes of choral music and is director of the Concert Choir.

Mrs. Elizabeth Bickford is assistant director of the Concert Choir and teaches three classes of Choral Music I.

The many faces of Choral Music...

Mrs. Thompson,
 I didn't have
 you for a teacher,
 but you seemed real
 nice. Pat Butler
 "72"

The Choral Music Department is divided into many smaller and specialized units. The Trio and Quartet directed by Mrs. Bickford, Girl's Ensemble, directed by Mr. White; and the Sophomore and Junior Choruses joined with the Concert Choir produce an outstanding choral program.

Art Expresses Creator's Ideas

"We all have a basic love for art and music. Whether we realize it or not, it is a part of everyone's life. . .

. . . Art expresses the ideas of your generation."

- Mrs. Searcy Thompson

Jan Masters adds final touches to the painting used on the cover of the 1970 Wildcat.

Mary Lou Young (above) completes the covers for the thrones the Queens will use on Color Day. (Right) Officers of the Art Club, Jimmy Cathey, James Stokes, Jan Masters, and Shirley Carter admire the mobiles made by art students.

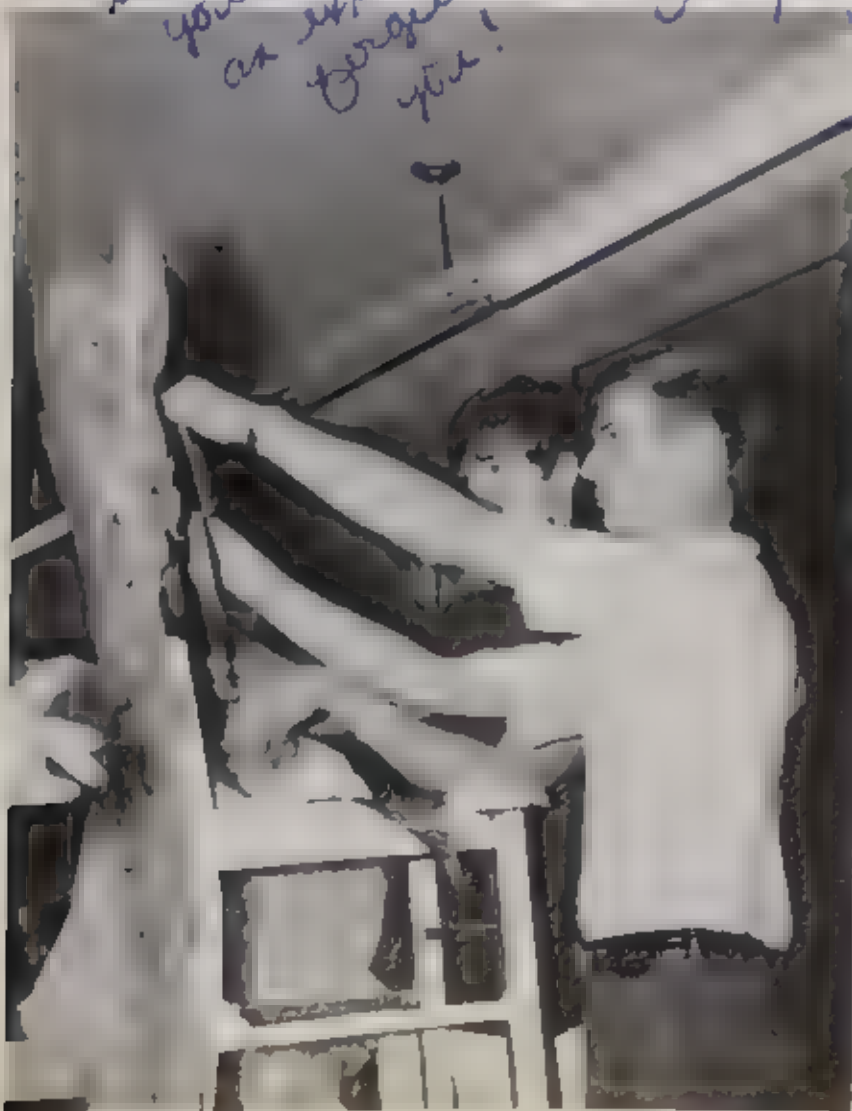

Art students complete the Wildcat banner used before each football game.

The Statue of Liberty used in the patriotic assembly was painted by the art classes.

Mrs. Searcy Thompson, head of Wildcat Hill's art department, looks over the Color Day crowns with some of her students.

Drama Releases Creativity

Costume

New to the NLRHS faculty, Mrs. Charmaine Cook teaches speech and drama. (left) Mrs. Cook demonstrates the correct method of applying stage make-up on willing model, Monty Holmes.

As one of their yearly projects, the drama classes designed and made masks, portraying various characters.

In full regalia, Linda Brewster, Cindy Carraway, and Nancy Ackerman present their skit about the First Americans.

Tina Johnson and Debbie Reeves represent the past and the present in their skit by wearing appropriate costumes.

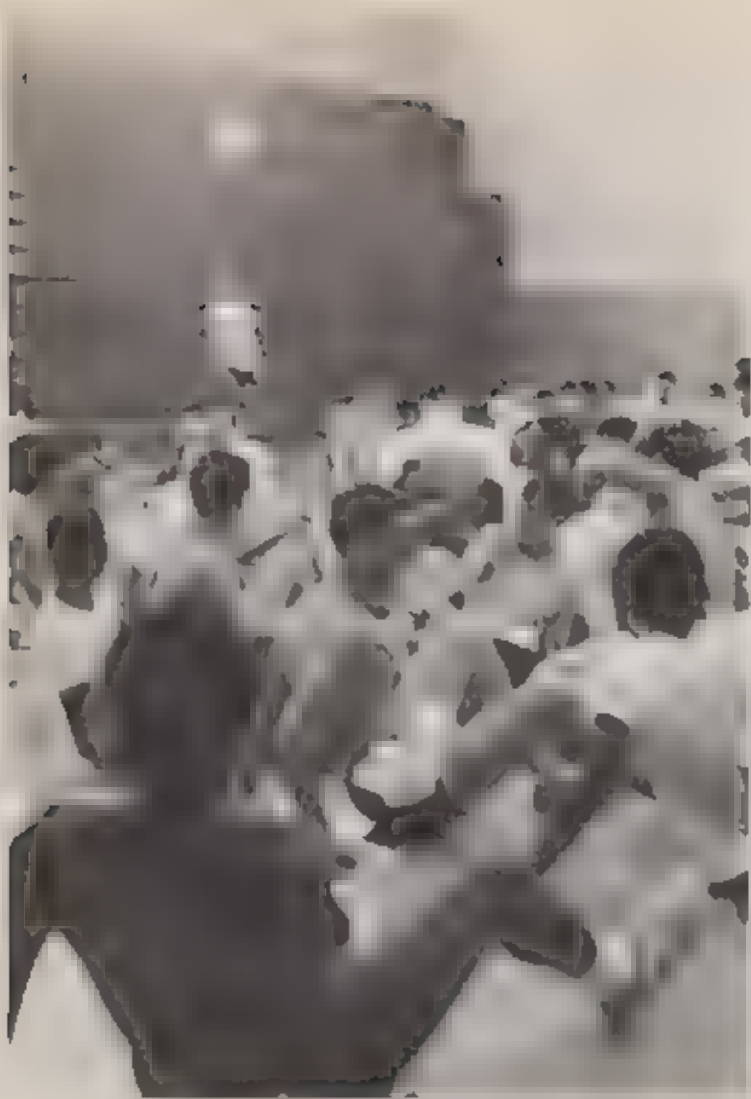

Gayle Camp portrays a character in an improvised skit,

With model and with sketch, Tommy Ross and Ruth White show Eighteenth Century French costumes.

*Developing Prowess
and Agility*

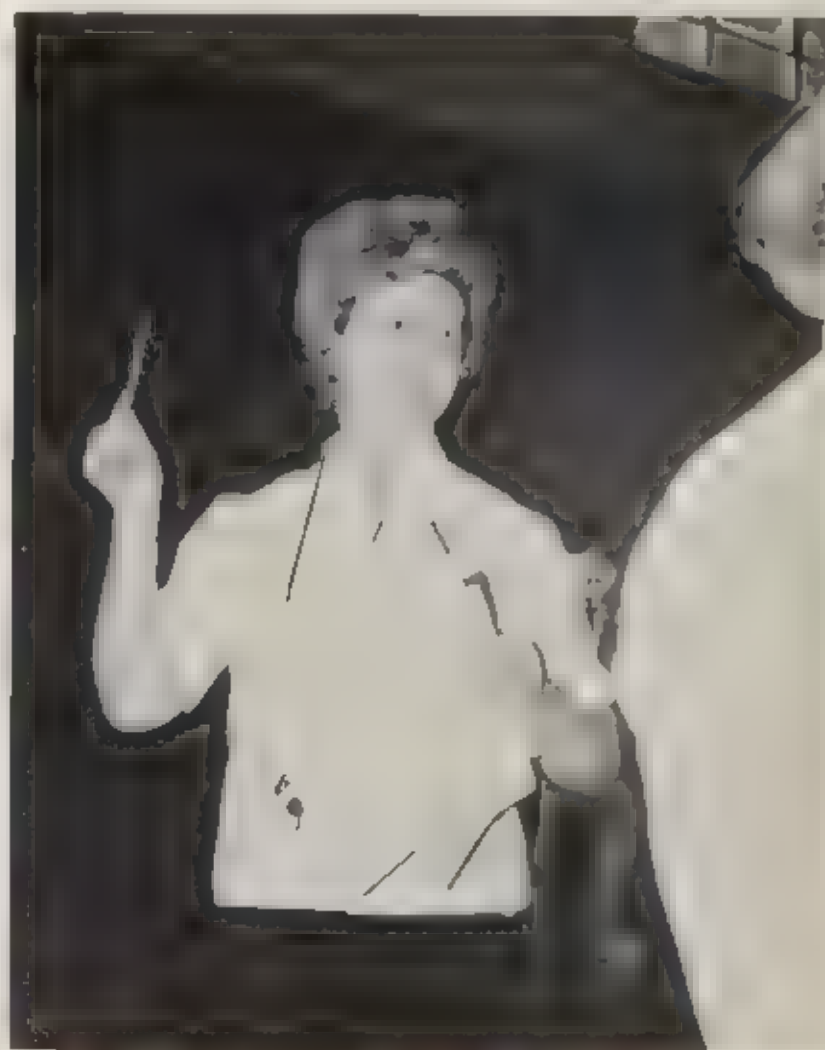

Whether it be calisthenics, track, basketball, or football, the boy's P.E. department is always on the move. Led by the various coaches, each P.E. class helps its members "shape up" with the aid of rigorous exercise and fitness programs.

Physical Education Aids in Development

Miss Frances Lewis in addition to being head of the Girls' Physical Fitness Department spends many summer mornings at Catette practice as their teacher-sponsor.

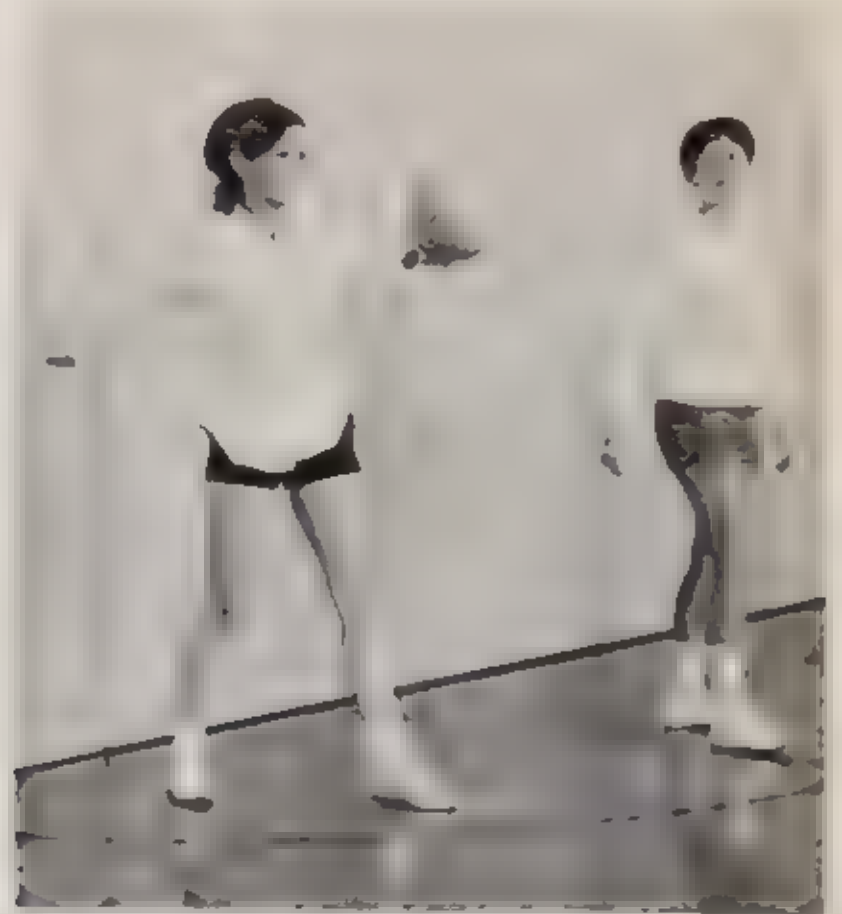

Sponsor of the Varsity and B-Team Cheerleaders, Mrs. JaRene Buddenberg teaches classes in Girls' P.E.

A vital part of every girl's education is the instruction she receives in P.E.. Emphasis is placed not on actual physical ability, but on building and keeping healthful bodies.

Through such activities as tumbling, volleyball, bowling, and calisthenics, the girls build beautiful bodies the healthful way.

Each PE instructor sponsors one of the three spirit organizations on Wildcat Hill: the Catettes, Cheerleaders, and PepCats, in addition to her teaching duties.

Mrs. James Newth teaches girl's P.E. and is sponsor of the Pepcats.

'Health means Wealth'

An opportunity to learn about safety, first aid, and health is offered to students who are unable to participate in the P.E. courses at NLRHS. Mrs. Jane Newth provided an interesting year of learning about the various aspects of health.

Students study the 7 general rules for first aid.

A representative from the Pulaski County Chapter of the Red Cross gives instruction on resuscitation to the Health classes

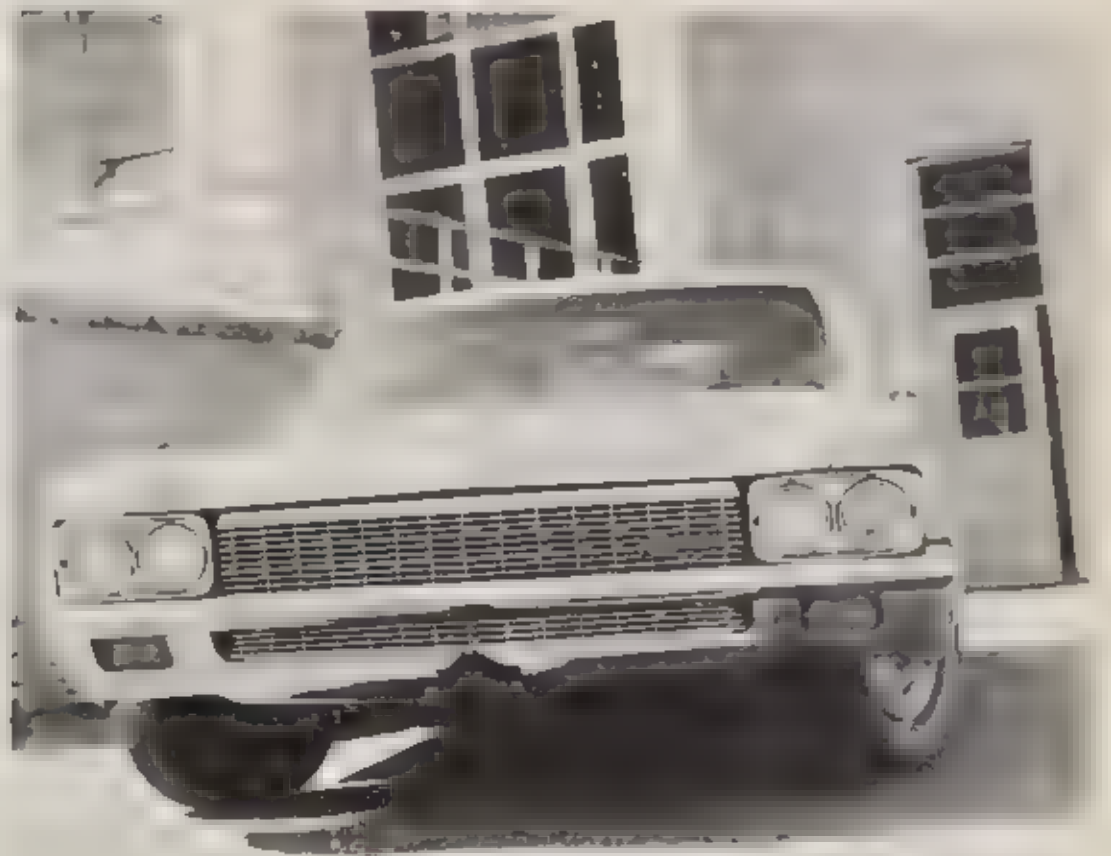

Driver's Ed:

The Art of the Automobile

In the classroom and behind the wheel teenage drivers are taught good driving habits, safety, courtesy in driving and defensive driving through Drivers Education.

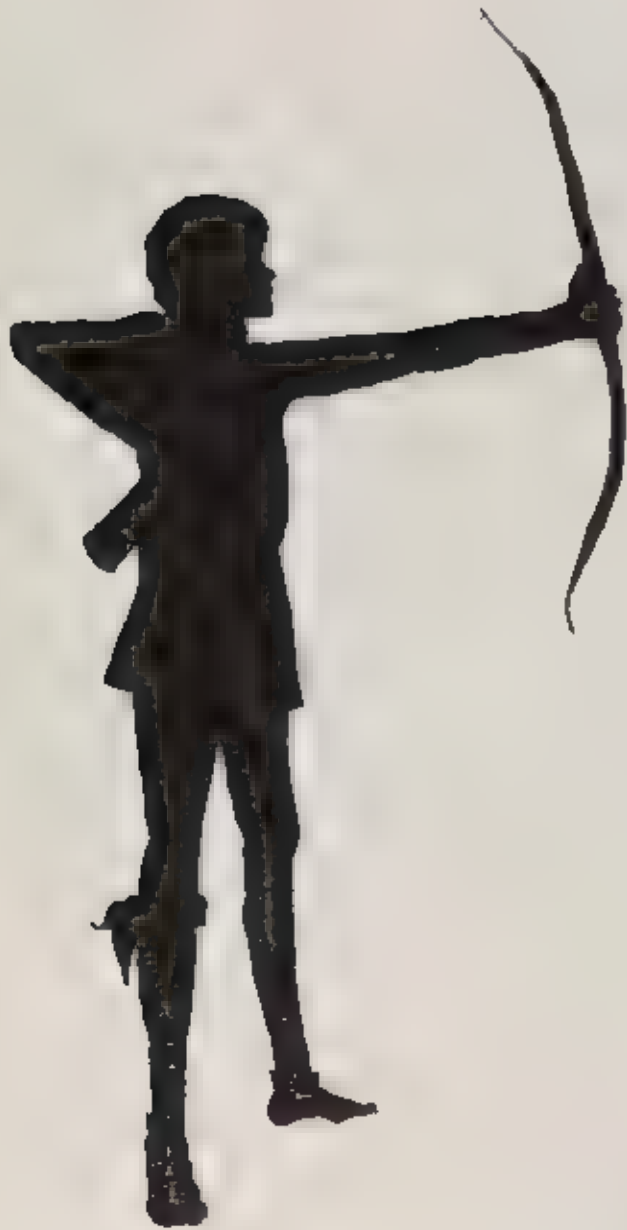

The course's instructor is Coach Bob Bowden. It is a six-week optional course offered to all Wildcats.

A group of Driver's Ed students leave the school to apply their classroom knowledge behind the wheel.

BRAW and STRANG

Listen well now as I tell of leal lads,
whose masteryes and mayne begack all.
Withoughten naye few them can tint
among those who hail at the ba.

Throly they fight for the pryce they love.
Hll those who affront them are blate.
Never before such a kempery vyld,
and each is as kene as his mate.

Cats Finish Season With 5 Straight Wins

Wildcats Capture First Prep Jamboree

The Wildcats, picked number six in the preseason poll going into the first city Jamboree, came out victorious as they whipped both Hall and Central by penetrations.

The small, but very quick Wildcats relied on the sweeping of the ends and Bruce Waters, to defeat the Tigers with one penetration to none.

In the fourth quarter, the Cats clashed with the Hall High Warriors, winner of their game with Parkview. The Cats were forced to kickoff to the Warriors and Allan Thompson returned the ball to his 29 where Alan Leveritt made him cough it up, giving the Wildcats their first and last penetration.

Hall threatened only once when David Bunting stepped inside the 20 and fumbled, giving the Cats the ball and the City Jamboree crown.

Cats Outplay Dragons, Succumb to Bearcats

In the first regular game of the season, the Wildcats were having trouble mustering up an offense and were forced to capitalize on the Jones High Dragons mistakes and their own big defensive plays.

The first Wildcat score came on a 25-yard field goal by Hugh Karl putting the Cats ahead, 3-0; however; this didn't hold the Dragons long as they caught the NLR secondary off-guard and completed a 55 yard pass play to the Wildcat three yard line. Two plays later they scored and led 8-3.

As the Dragons kicked off, the Cats weren't to be denied as Jim Harmon raced 80 yards for the Cats second score.

The next Wildcat score came in the second half when Bill Word blocked a quick kick and Mike Charles jumped on it at the one foot line. Rickie Porter took it over for the score, giving the Cats a 17-8 lead.

In the fourth quarter, the defense again made a big play and jumped on a fumble at the Jones three. They went on in for their last score, making the final score: Wildcats 24-Dragons 8.

In their first AAAA Conference game of the season, North Little Rock lost to the Horace Mann Bearcats 15-14 in Wildcat Stadium.

The Bearcats engineered a powerful attack as their first score came on an end around play in the second quarter. John Lawrence took the ball for the Bearcats and circled in for the score, giving his team a 7-0 lead at halftime.

In the second half, Bruce Waters plunged over from the two yard line to cap a 40 yard drive tying the game 7-7.

Coming back for another score after an in-

ference call which placed the ball on the Mann 10-yard line, Wildcat quarterback Rickie Porter swept and dived into the end zone from the one yard line. The Cats then took the lead 14-7.

The winning Bearcat score came on a 24-yard pass play from Toombs to Burt, forcing the Bearcats to go for a successful two-point conversion. This loss gave the Cats their first loss to Horace Mann in the school's history.

Valiant Cats Fight Hard;

Defeated by Hall, El Dorado

The Wildcats dropped their second AAAA conference game in a row to the Hall High Warriors. After coming back in a valiant effort to close in on a 20 point deficit at halftime, the Cats fought hard, only to fall short 20-12.

The Warriors took the opening kickoff and marched 65 yards aided by Thomas Henry sweeping in for the first Warrior score. Their second score came on a 14 yard jaunt by John Compton giving them a 14-0 lead. Later in the game, the Warriors bounced back. James Flynn hit Henry with a 34 yard touchdown aerial, and the first half ended with Hall leading 20-0.

In the second half, North Little Rock began to establish an attack. Rickie Porter hit Bruce Waters with a screen pass and Waters ran 31 yards for a touchdown.

The defense held and the Wildcats took over again; eight plays later, Waters swept in for the score. The Wildcats two point conversion was nullified by a penalty. The final score was Hall 20-North Little Rock-12.

On October 3, the Wildcats were handed their third straight defeat 21-10 by El Dorado.

The Cats took the opening kickoff and drove the length of the field, only to be stopped and forced to go for a field goal. The 21 yard kick was successful and the Wildcats took an early 3-0 lead.

In the second period, El Dorado came roaring back and scored on a 4 yard run by Ronnie Ollison.

A controversial 85 yard kickoff return by North Little Rock's Jim Harmon was nullified by a clipping penalty, and the Wildcats took the ball on the one foot line. The referees got into a discussion with 25 seconds left on the clock causing it to run out ending the half with the Oilers leading 7-3.

The Oilers took the second half kickoff and drove down the field for the score and then came back with an onside kick, recovering it at the Wildcat 47. Anthony Jones took the ball in for the score.

W-L-R Overcomes Rain, Chicks

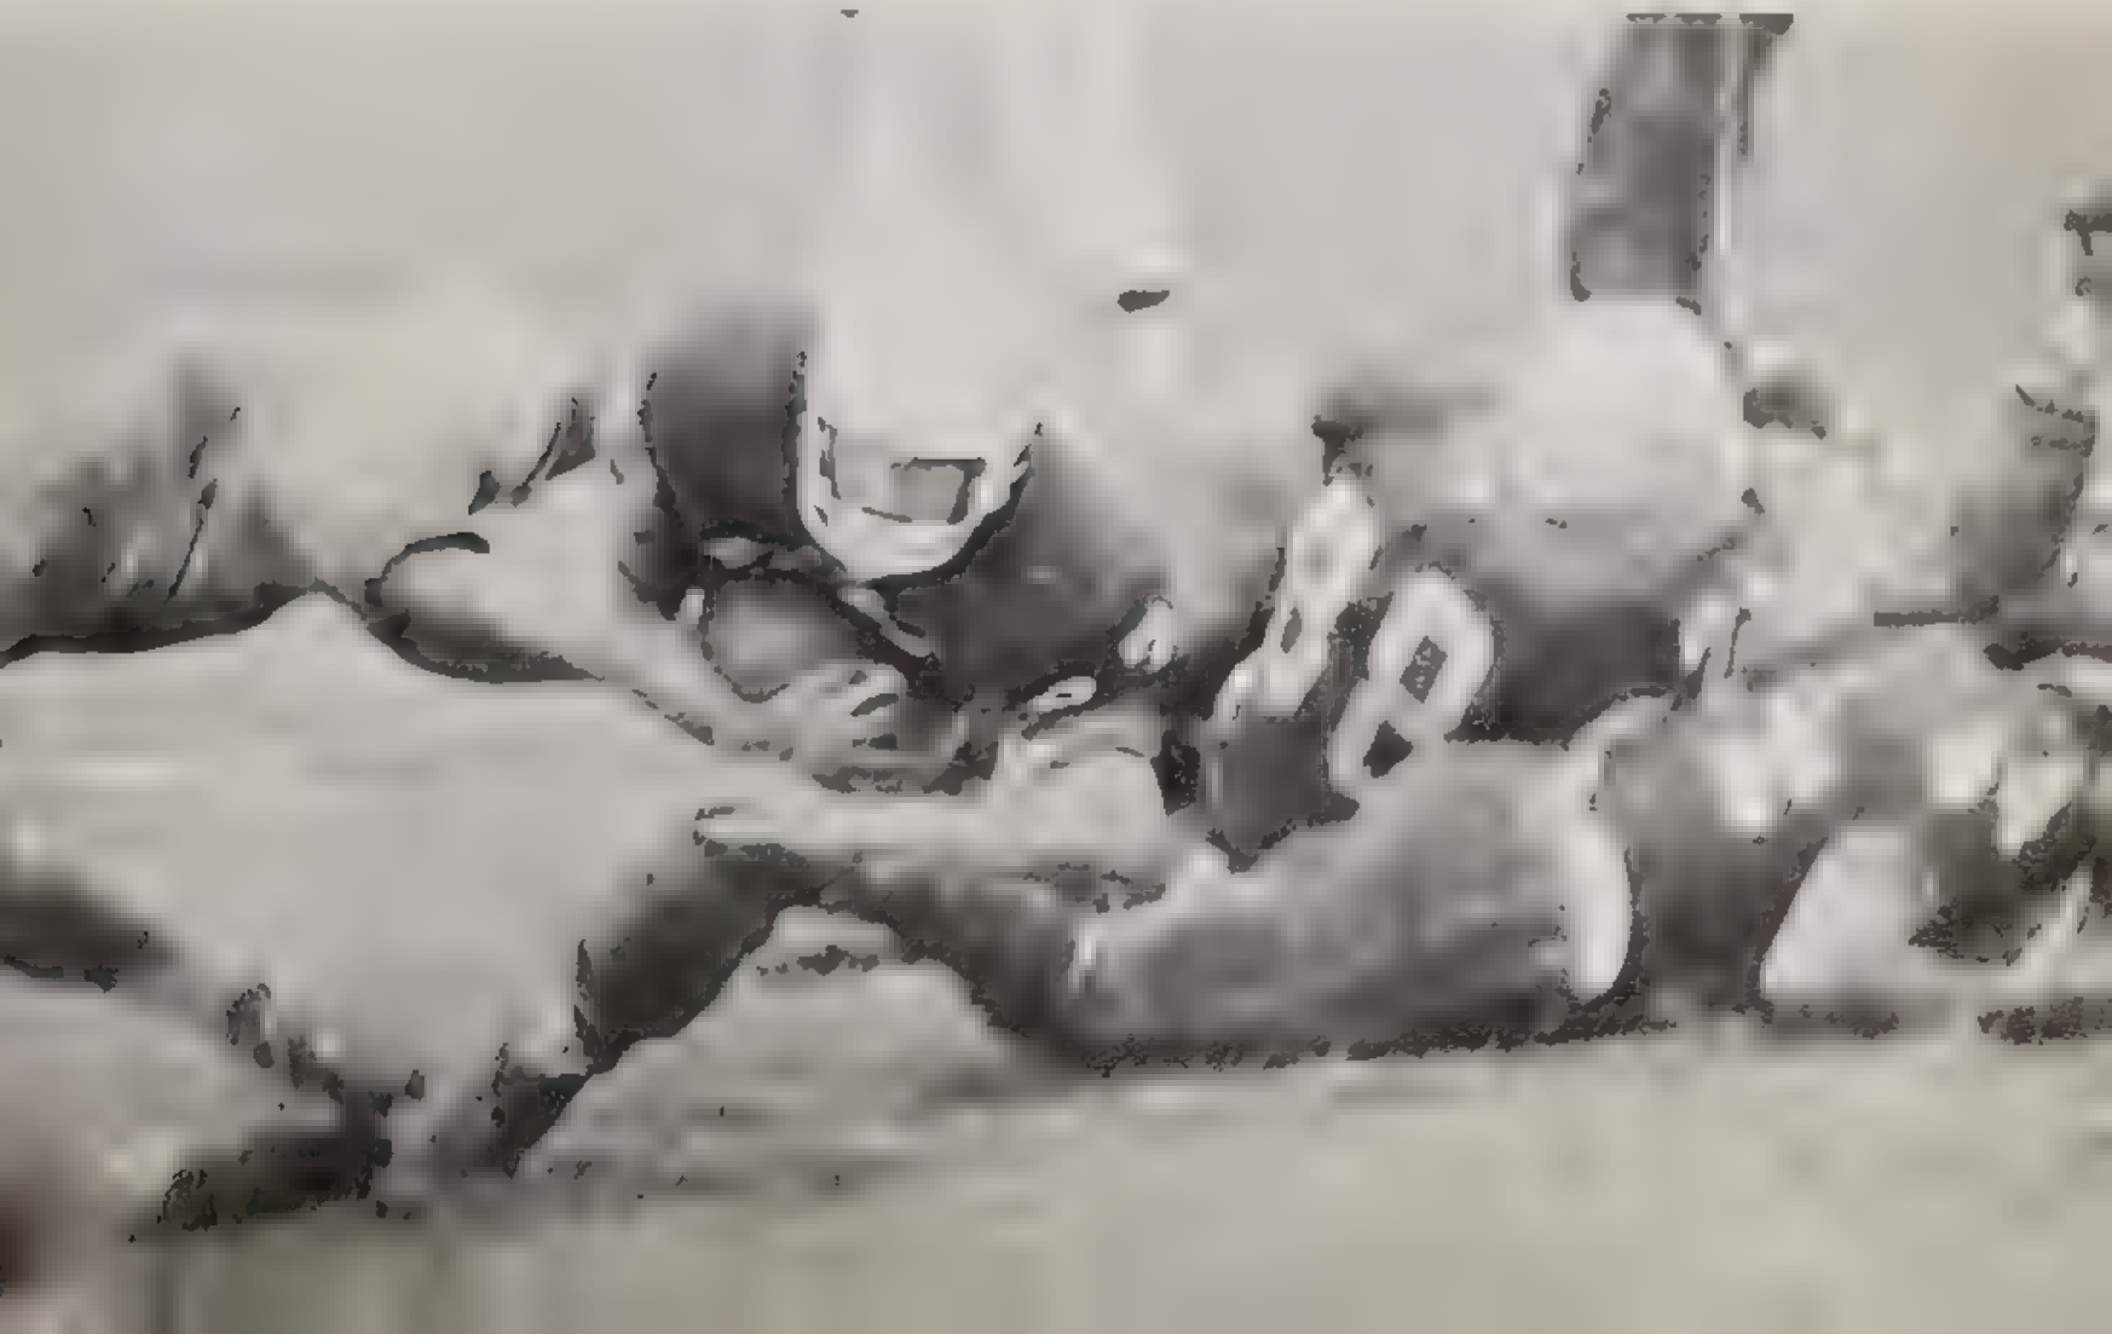

The mud and the rain didn't seem to hamper the Wildcats as they bounced back from three consecutive losses to whip the Blytheville Chickasaws 17-0.

The Cats struck early as Bruce Waters scampered 94 yards for the Wildcat's first score and 7-0 halftime lead.

In the beginning of the second half, neither team could seem to move the ball on the slippery turf; then the Cats began to roll. Billy Burns powered the way for the Cats and put them in field goal range. Hugh Karl booted an 18 yard field goal and gave the Wildcats a 10-0 lead.

In their best defensive game of the year, the Cats final score came on a 54 yard run by Waters and North Little Rock held the Chicks scoreless. The final score was North Little Rock 17-Blytheville 0.

Wildcat strategy: treacherous blocking and powerful running.

*Defeated by Central,
WLR Clobbers Conway*

Plagued with fumbles and interceptions, the Wildcats lost their fourth conference game to the Central High Tigers 14-0.

With offensive efforts from Martin and Duhart the Tigers posted a 7-0 halftime lead.

A third quarter pass from Rickie Porter to Greg Smelser moved the ball to the Tiger 28. A Shelton interception killed the drive at the Tiger 13.

A late Wildcat rally failed and the Tigers posted the final 7 points on a Martin to Gillespie pass. Final score was Tigers 14-Wildcats 0.

Suffering from a weak offense all year, the Wildcats finally put everything together and beat the Conway Wampus Cats 35-14 in Wildcat Stadium.

On the first play of the game, North Little Rock tailback Bruce Waters broke off tackle and sprinted 70 yards for the Wildcat's first score.

North Little Rock's second score came on a spectacular punt return by Dennis Campbell who eluded several tacklers as he raced down the sidelines before being pulled down from behind at the Wampus Cat 29. Billy Burns sneaked over the goal line several plays later and the Wildcats led 13-0 with 6:26 left in the first quarter.

The Wildcats came right back after recovering a Conway fumble and Hugh Karl kicked a 32 yard field goal and making the score 16-0.

When the Wildcats scored again, they used the effective passing of Rickie Porter and the fancy running of Bruce Waters to set up the T.D. Billy Burns plunged over from the one and the Cats led 23-0 at halftime.

Conway's first score came on a 12 yard pass from Tommy Courtway to Kirk Turneaux. The last Wampus Cat score came on a 73 yard drive, with 30 seconds left in the game.

Wildcats Spook Zebras

The Wildcats evened their season record at 4-4 Halloween night as they whipped the Pine Bluff Zebras 42-14.

The Cats first score came on a 13 yard pass from quarterback Rickie Porter to split end Greg Smelser. The second score was the result of a 90 yard pass from Billy Burns to Dennis Campbell giving the Wildcats an early 14-0 lead.

The Wildcats got possession of the ball again after Pine Bluff's inability to move. Taking advantage of their early lead, the Cats came right back with a four yard plunge by Billy Burns and with 6:13 left in the first quarter the Wildcats were ahead 21-0.

North Little Rock's defense held the Zebras to practically nothing under the leadership of Kenny Williams, Randy Adams, Jay Herndon and Mike Charles.

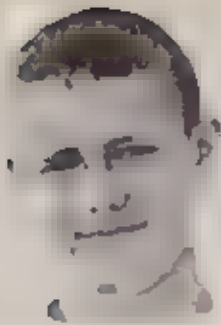

The Wildcats were able to make two more touchdowns before the end of the first half; the first one coming on a 71 yard punt return by Dennis Campbell and a 4 yard touchdown run by tailback Bruce Waters.

Coming into the third quarter, North Little Rock scored with a drive led by Bruce Waters.

Rickie Porter made the two-point conversion and the Wildcats enjoyed a 42-0 lead. Completing the rest of the game with reserves, the Cats allowed Pine Bluff two touchdowns. The final score of the game was NLR 42-Pine Bluff 14.

Underdog Wildcats

Upset Northside Bruins

Sometimes the position of underdog helps, the Wildcats proved this as they whipped the Number 2 ranked Fort Smith Northside Grizzlies 31-8 in what was considered a major upset.

The Wildcats stunned the Bears early in the game as Doug Moore fumbled the ball to Mike Charles at the NLR 33. Two plays later, Bruce Waters gained ten yards but the run was called back on a clipping penalty. Three plays later the Wildcats scored their first touchdown when Waters ran in to put the Cats ahead 6-0.

The Grizzlies then got possession of the ball, but the defense held them and forced them to punt to the NLR 35. The third play from scrimmage produced a play that the Cats had been working on for a long time. The Wildcats lined up to the left of the ball and Rickie Porter walked over to the referee as if he were going to talk to him. He then scooped up the ball and gave it to Waters who scampered 41 yards for the score. With 1:53 left in the first period, the Wildcats had a 12-0 lead.

Unable to move again, the Bears lost control of the ball and were forced to kick to the Wildcats. The offense produced another touchdown and at halftime, NLR led 18-0.

Late in the third quarter, the Grizzlies mustered up an offense as they drove 45 yards for the score. The two point conversion attempt was good and the score stood 18-8.

In the fourth quarter, the Cats came back and scored again on a two yard blast by fullback Billy Burns with 11:57 left on the clock.

Starting an air attack, the Grizzlies were stopped when Rickie Porter picked off a pass and returned the ball to the Northside two yard line. The final score of the game came when Billy Burns plunged over to make the score 31-8 and give the Cats their upset win. This was win number three and another step towards their road to five straight.

North Little Rock extended their winning streak to four as they whipped the McClellan Lions 39-6.

The small, but scrappy, defense noted for capitalizing on opponents mistakes showed their poise as Kenny Williams picked off a deflected Nolan Duck pass and returned it 41 yards for a touchdown.

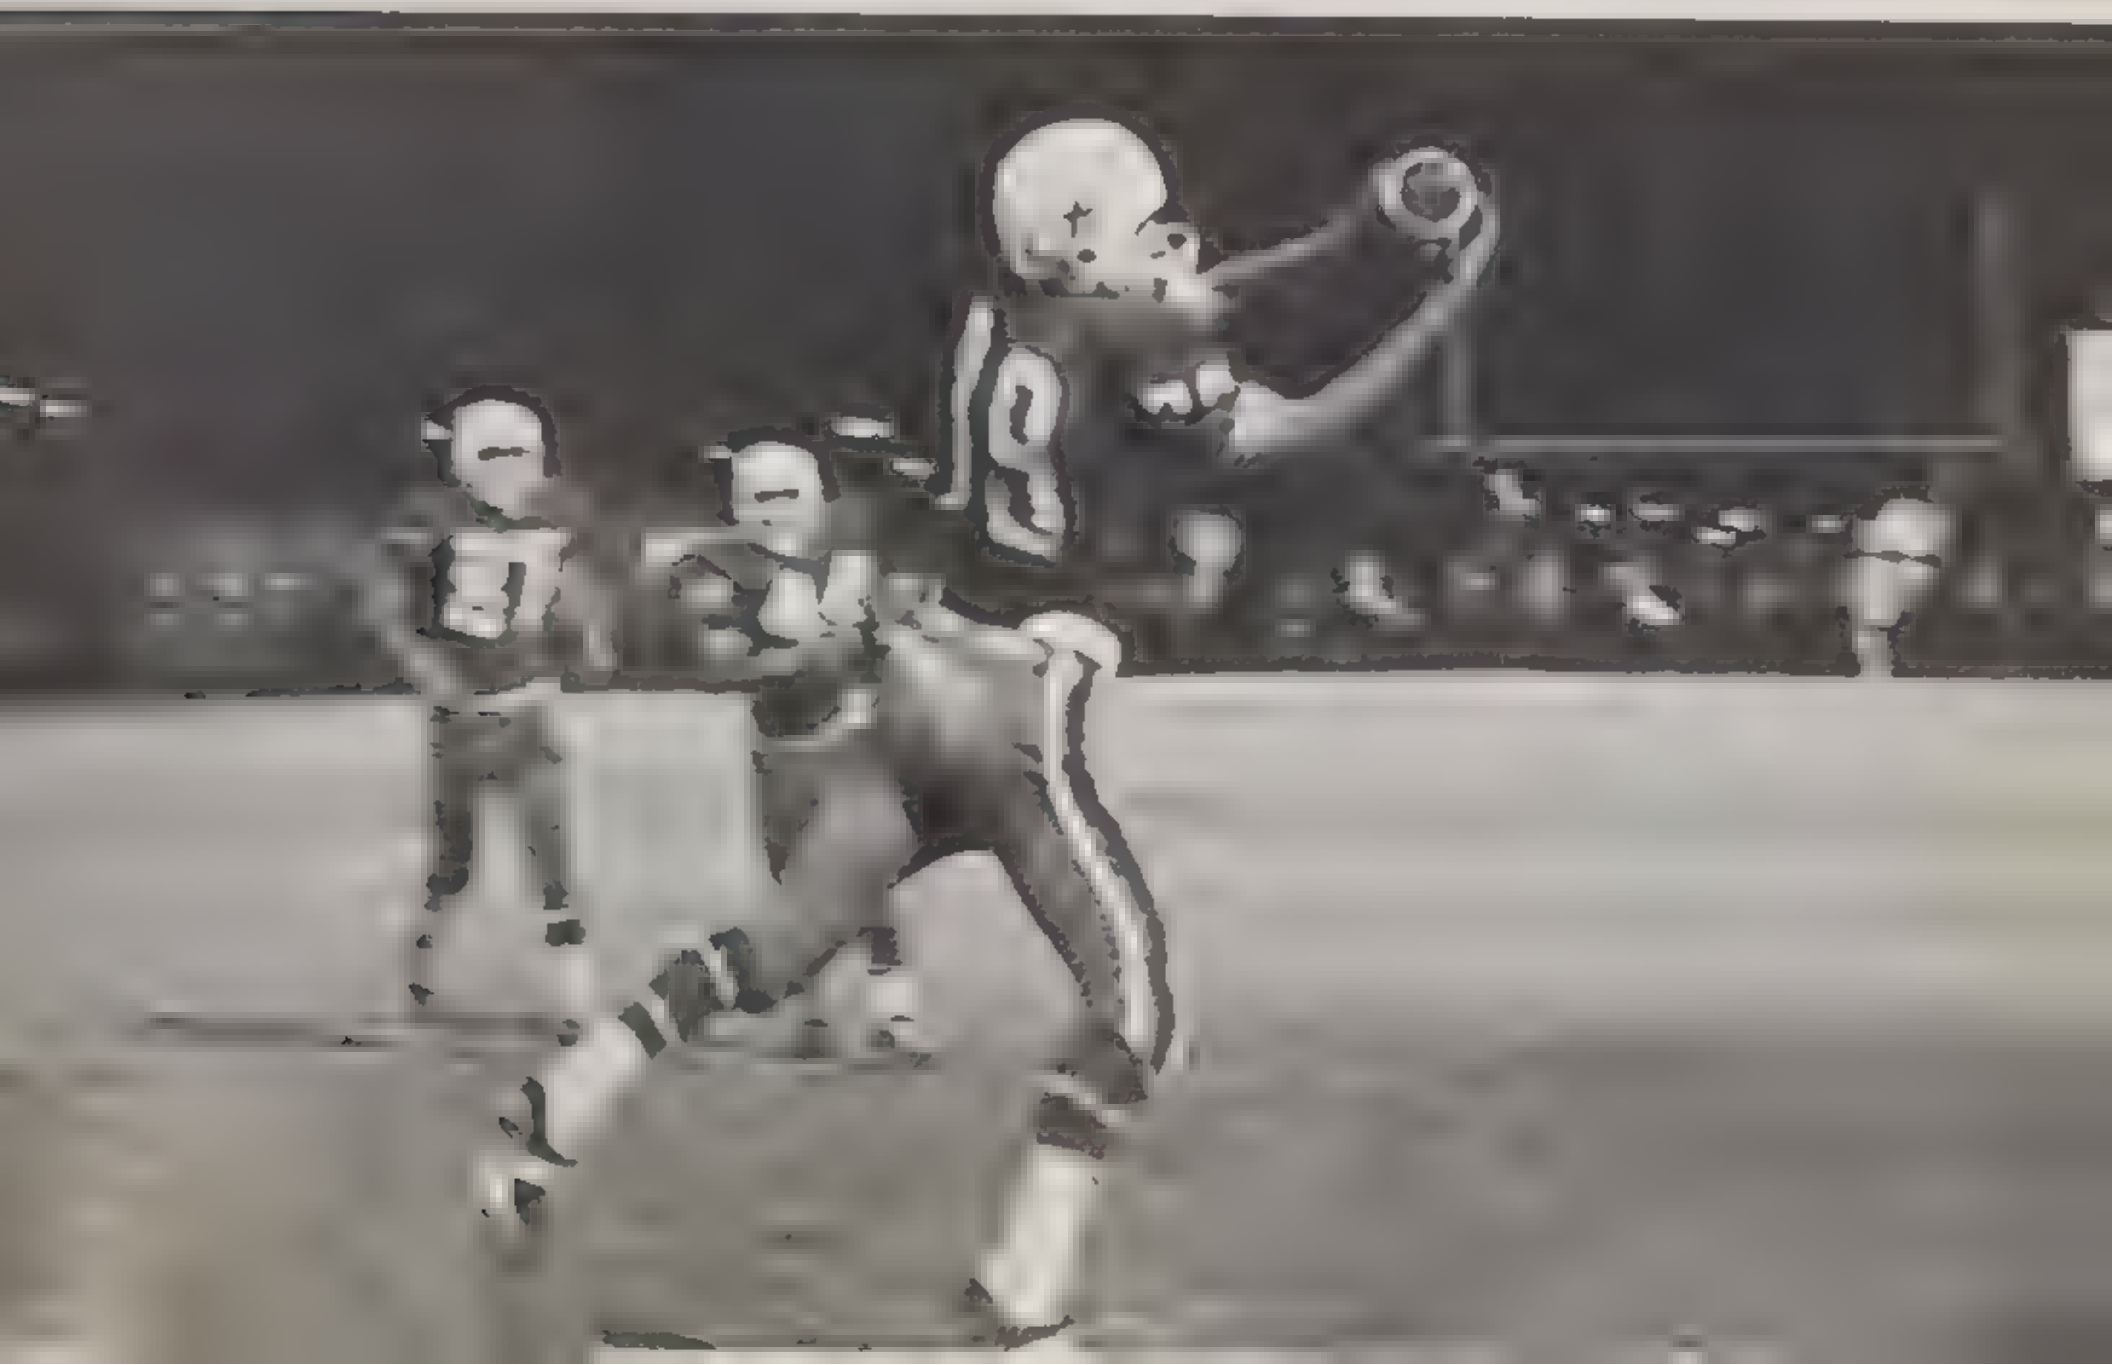

After recovering a Lion fumble, Rickie Porter hit Burce Waters with a 41 yard bomb for the second Wildcat score, giving the Cats a 14-0 lead with 5:35 left in the first quarter. With 38 seconds left, Porter hit fleet-foot Tommy Suttle with a 28 yard touchdown pass making the score 20-0.

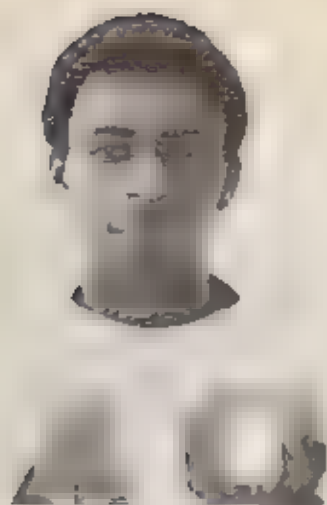

An interception gave the ball to the Wildcats again and Porter hit Waters who was all alone on the sidelines. He raced toward the goal and another score and at halftime, the Wildcats led 26-0.

The Lions were unable to move the ball and the Wildcat offense took over at the 37 yard line. It didn't take long to produce another score as Waters again broke off tackle for 37 yards and a touchdown. The final score of the game came as Waters took the ball in after an interception at the 30 by Dennis Campbell.

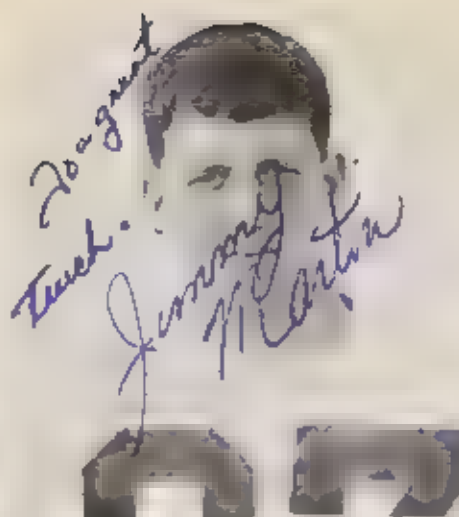

McClellan was able to salvage one touchdown but it was too late for them to make a drive and the game ended with the score NLR 39-McClellan 6.

Catching and tucking it in gives the fans a big thrill.

Wildcats Close Season

With 21-12 Win Over Rockets

The last game of the season was a big one for the Wildcats and they were determined to win it. They had set out to win the last five and end with a good season. This game with the Catholic High Rockets would tell the tale.

The Cats jumped off to an early lead as they moved in to score after a fumble at the 45 yard line and with 7:28 left in the first period the Cats led 7-0.

The Number 2 ranked Rockets came back on an 80 yard touchdown bomb from Jimmy Doolittle to Dickie Selakovitch. Their two point conversion attempt was unsuccessful and the Cats held a slight lead 7-6.

The Wildcats showed their poise as they took the ensuing kickoff and drove 56 yards in 10 plays for the score.

Bouncing back, the Rockets drove 75 yards in 15 plays and Mike Campbell took the ball in for the score, making the score 14-12 at halftime.

The last score of the game came on the first possession of the second half as the Cats drove 75 yards in 9 plays with Billy Burns plunging over from the one. The Defense held the rest of the game and the final score was NLR 21 and Catholic High 12. This was the fifth straight victory for the Wildcats and they ended up ranked Number 3 in the state.

B-Team, Sophs Gain Experience

The North Little Rock Wildkittens suffered through a disappointing season, but that does not necessarily mean that future Wildcat supporters cannot expect a typical outstanding gridiron squad. Admittedly, the Kittens made their worst showing in several years, but according to head football mentor Ken Stephens, the overall record is not really indicative of the player's talents. The Wildkittens were having to play an unusual number of sophomores, as a lot of the juniors were moved up to the varsity.

The Kittens started off their season in fine fashion with a victory over the Catholic High Firecrackers on September 30, by a score of 20-6.

On October 2, they suffered their first defeat of the year at the hands of the Pine Bluff Colt Zebras. The Kittens put up a valiant fight, but the Colts finally prevailed by a score of 12-7.

The Kittens traveled to Conway on October 11, where they were again defeated in the final minute of play by the Wampus Kittens. The final score was 12-6. On October 15, the Wildkittens were defeated by the McClellan Lion Cubs by the close score of 18-8.

The Wildkittens' finished their season by beating the Central High Tiger Cubs everywhere but on the scoreboard. The final score was 6-6, but it was a moral victory for the Kittens as they completely dominated the Cubs throughout the game.

The Wildkittens final season record was 1-3-1.

Conference Play Shows Discouraging for Wildcats

The North Little Rock Wildcats got their conference season off to a good start by whipping the Horace Mann Bearcats 61-49 in the Wildcat Fieldhouse. Their next conference bout was against the Fort Smith Northside Grizzlies. Hampered without the aid of Rickie Porter, who was out with a broken hand, the Cats suffered a 48-39 loss.

Ronnie Robinson's and David Holsted's shooting enabled the Wildcats to sustain a victory over El Dorado in the next scheduled conference game, the score ending NLR 52-El Dorado 45.

Then came the big game: North Little Rock against Central. In previous games the final outcome has always been a close one; this game was no exception. NLR was handed a defeat by the hands of a controversial last second desperation shot by Fred Allen in double overtime. The controversy was whether or not the clock started on time; however, the referees said the points were good and the Tigers came out on top 56-54.

Mr. Dribble", Ronnie Robinson, shows his ability as playmaker for the Wildcats in a conference game against Hall.

Lew McAllister (53) battles for one of his many rebounds as Paul Adams (24) and David Holsted look on

The Cats bounced back from their disappointing loss and took two important conference battles by defeating both Hall and Pine Bluff 79-54 and 69-59 respectively.

North Little Rock seemed to hit disaster road as they lost five consecutive games in a row to Horace Mann 65-53, Northside 53-44, El Dorado 66-64, Central 60-52, and Hall 56-50.

The Wildcats ended the 1969-1970 season with an important victory over Pine Bluff 56-52 and the promise of a berth in the State Tournament.

Non-Conference Games 'Detect Cats' Mistakes

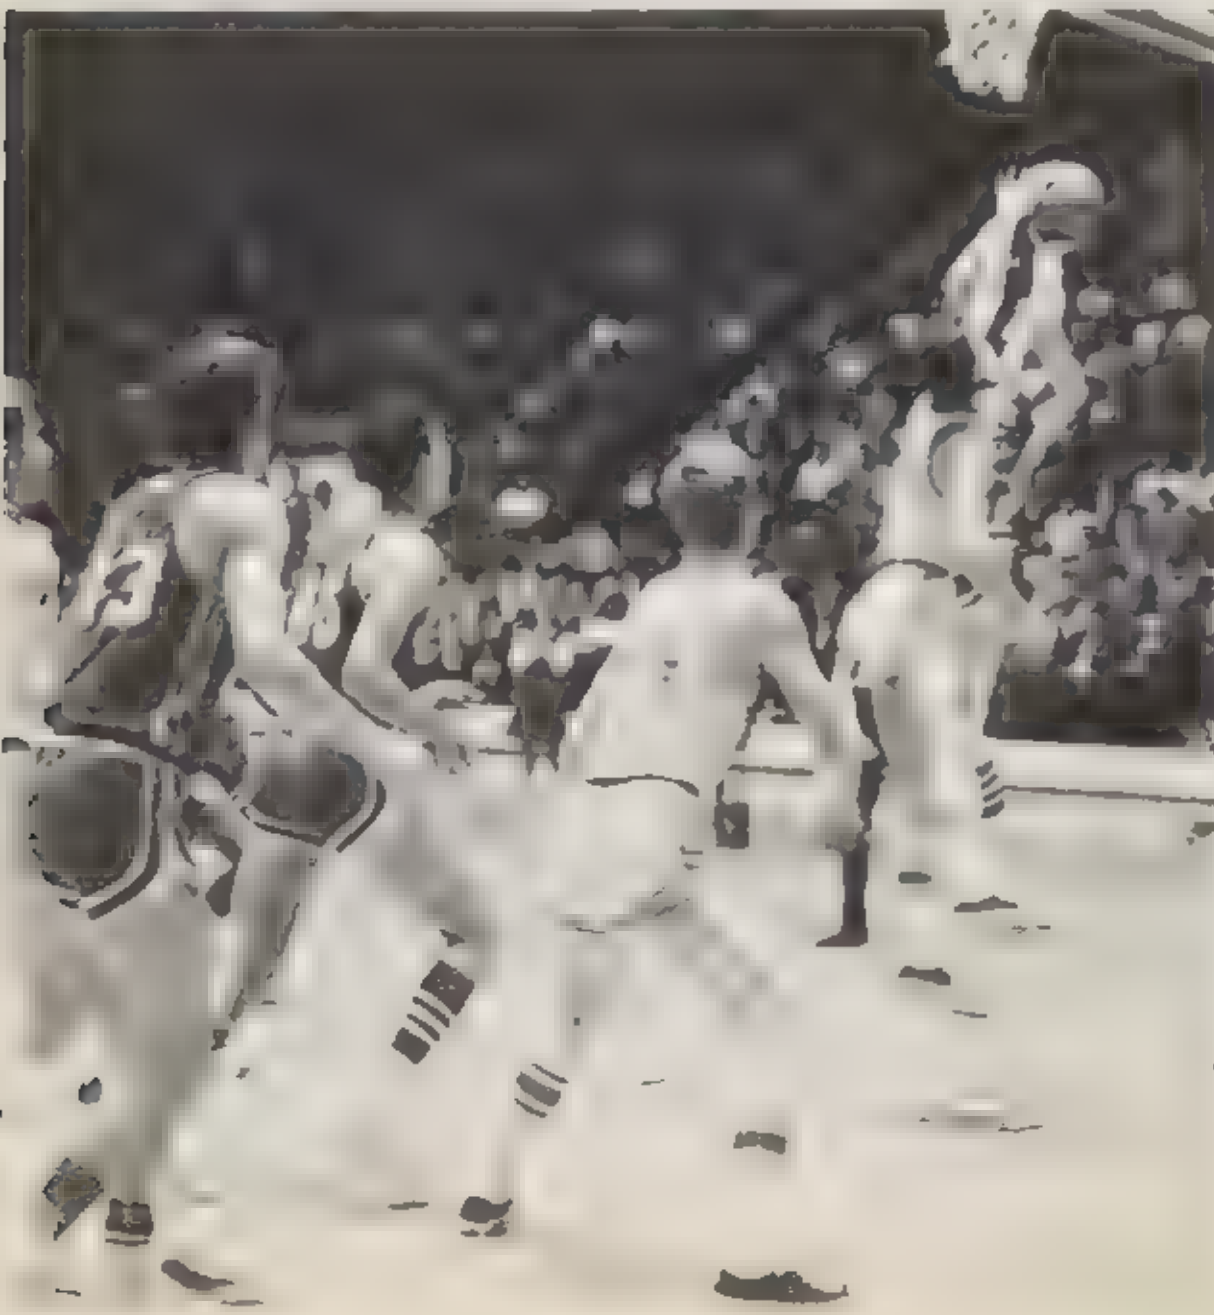

For any good team there always has to be non-conference games in order to prepare them for their conference spots. Getting a team ready for their conference battles is a testing ground for most teams; this seemed to be true for the 1969-1970 Wildcat hardwood campaign.

The Wildcats played a fourteen game non-conference schedule which was spread out enabling the Cats to prepare for the really big games.

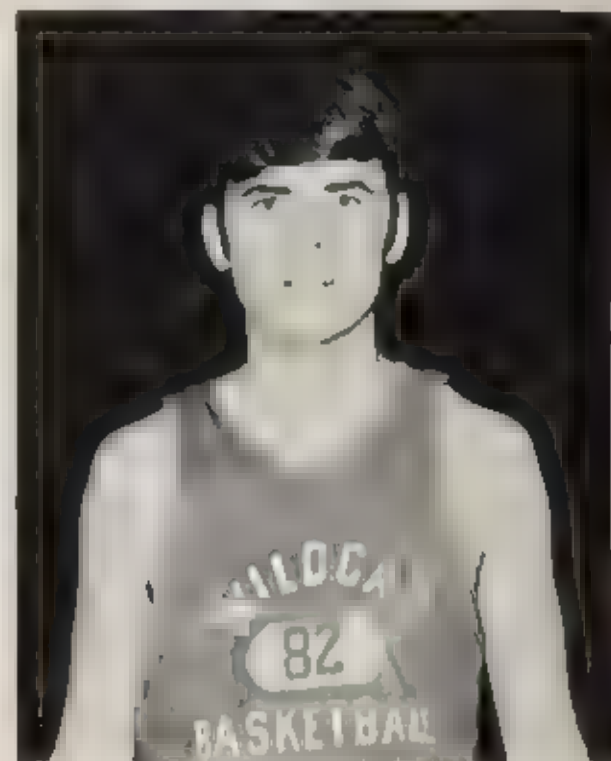

NLR tipped off their 1969-1970 cage season with explosive victories over Sylvan Hills, 79-45, and Hot Springs, 77-44. The Cats then journeyed to Conway where their winning ways were stopped by the Wampus Cats 41-38.

Jonesboro was next on the non-conference schedule and the Wildcats, aided by Rickie Porter and Ronnie Robinson overwhelmed the Golden Hurricane 54-49. The Cats then traveled to meet their cross-town rival, Sylvan Hills, defeating them 70-47.

Lew McAllister goes high for two in the Wildcats' disappointing loss to Northside in the State Tournament semi-finals.

Rickle Porter shows the remarkable defensive ability that helped him earn his All-State honors

The Holiday Classic seemed to be a disaster for the Cats as they dropped both games. Their first loss came against Camden Fairview in which a last second 45-footer put Fairview on top 64-62. Playing as if the shock from the previous night's defeat still had a hold of them, the Wildcats were handed their next loss by the McClellan Lions 57-48.

The Cats split the next two contests by defeating the Jacksonville Red Devils 60-41, and in an off night, were shocked by the Hot Springs Trojans 54-45.

Revenge was the main train of thought on the Wildcats' minds as they convincingly whipped the Wampus Cats of Conway 72-57 at the Wildcat Fieldhouse.

Next on the schedule were away games at Jonesboro and Catholic High. The Cats were able to squeeze by the Golden Hurricane 49-48, and proceeded to whip the Rockets of Catholic High 54-41.

North Little Rock ended their non-conference schedule in high style by crushing Subiaco 87-54, and Jacksonville 71-40. The Wildcats ended the non-conference season with a 10-4 record.

Cats Gain Journey Back to Grizzlies in Semis

The North Little Rock Wildcats, 1968-69 defending State Champions, opened their first game in the AAAA State Tournament by defeating the Pine Bluff Zebras 69-65. This game was their third win over the Zebras in as many games.

In the semi-final game, the Cats were pitted against the Fort Smith Northside Grizzlies who had beaten them twice before. Using the same successful attack they had used in previous games, the Grizzlies took the decision and handed the Cats a 48-37 defeat.

Named to the AAAA All-State team were Ronnie Robinson and Rickie Porter.

The tension shown on the faces of Coaches Bob Bowden and Gary Goss reflect the excitement and stress of every Wildcat Basketball game.

Basketball managers — (back) Rick Weise and Alan Crownover, (middle) Ronny Lazenby and Leonard Gardner; (front) Ricky Davidson.

Wildkittens Compile Outstanding Record

Under the direction of new coach Gary Goss, the B-team compiled one of the best records ever for a team on Wildcat Hill, ending with a 20-3 season record.

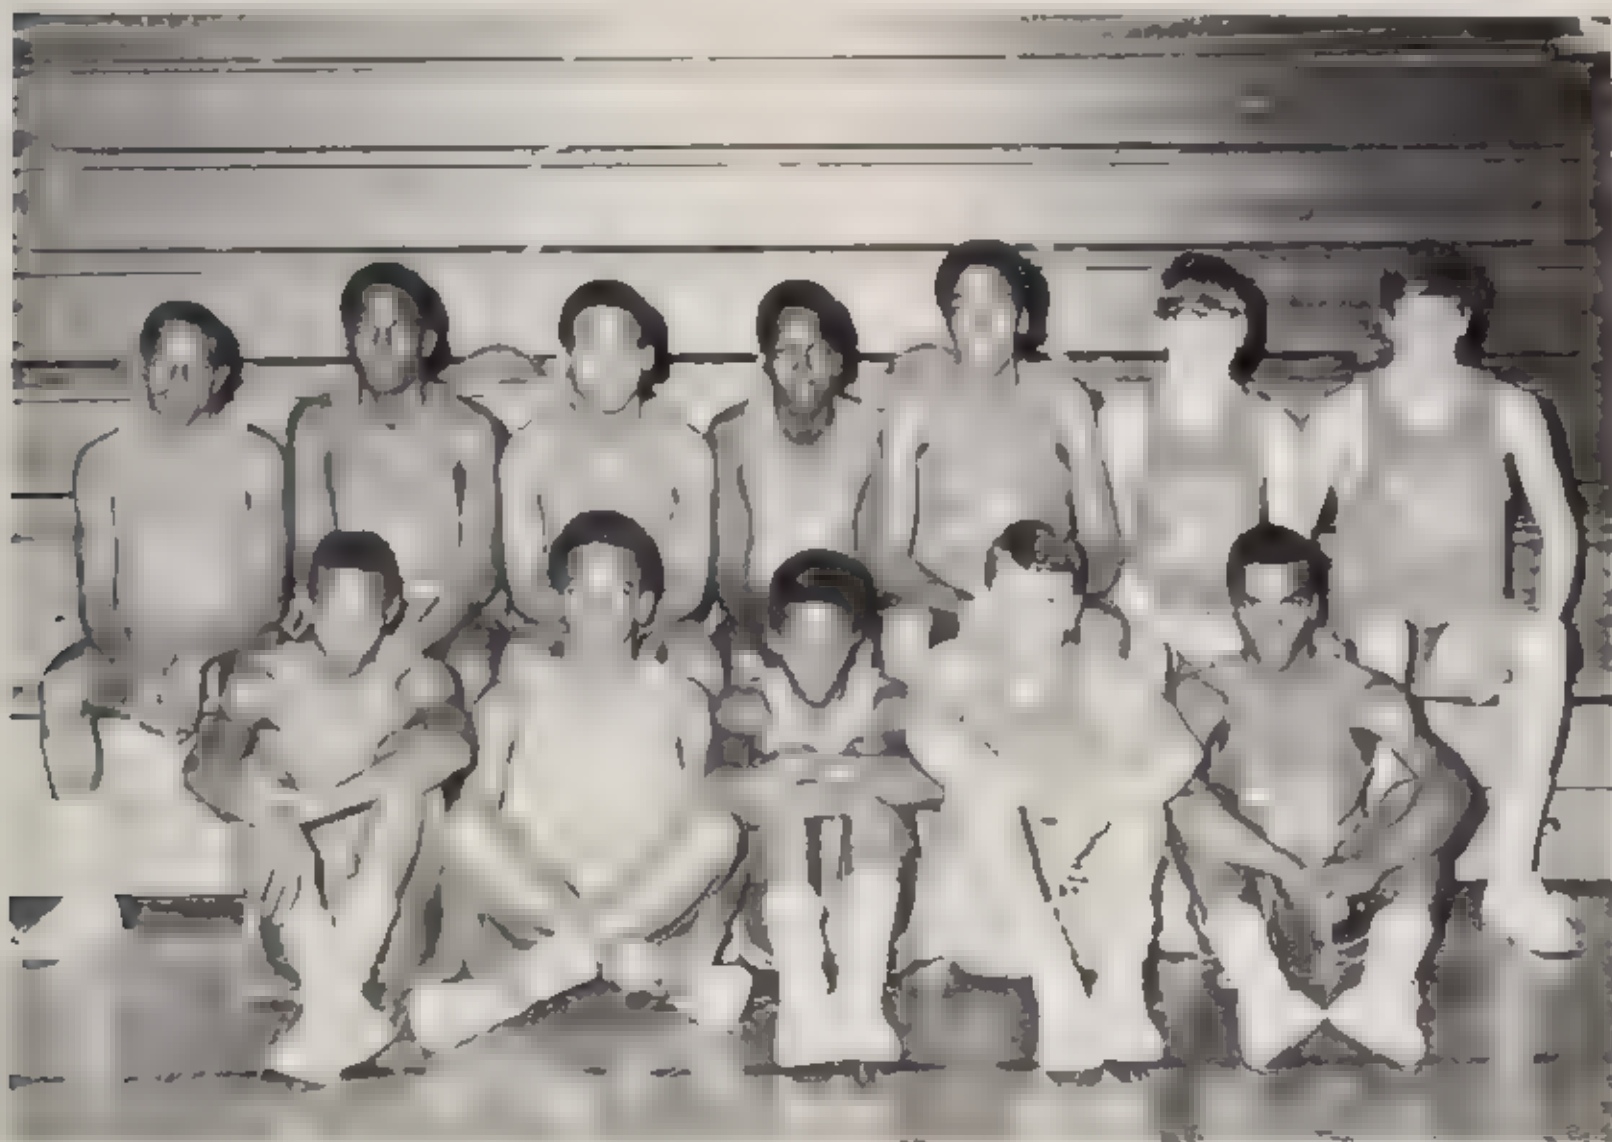

This year's Kittens had the desire to win and enthusiastic hustle as they dropped 20 of their 23 opponents.

"Winning seemed to be the most important thing in the Wildcats' minds," said Coach Goss. "We had the desire to win and much talent." Although little is heard about the Kittens, they proved that they will be improved for oncoming years and good enough to make another sweep of the State Tournament.

Bob Brown, Tony Roncketto, and Kent Rust were the big guns for the Kittens, aided by the other members of the B-Cats.

The Wildkittens have made this eighth straight year of basketball on the Hill an outstanding one with participation, desire to win and excellent hustle.

The Wildcat Follies highlights the Student Council's year as its biggest money making project. Over 110 students gave of their time and effort towards making "Lather" the tremendous success that it was.

Another Student Council project is the "Share the Blessings" assembly held around Thanksgiving. This year there was enough food brought to feed 200 families.

PepCats and Catettes Boost Wildcat Spirit

Perhaps the two most important groups that promote spirit on the Hill are the Catettes and PepCats. PepCats is composed of girls from all grades who wish to support the Wildcats with attendance at all home football and basketball games.

Wildcat Hill's drill team, the Catettes, is made up of junior and senior girls chosen on the basis of try-outs held each spring. These 49 girls perform marching and dance routines at each home game in Wildcat Stadium and represent the High School in parades and other events.

PepCat officers for 1967-1970 include (Top) Carol Hallum, President; Kay Tucker, Vice President; (bottom) Leslie Galloway, Historian, and Valerie Jackson, hand drill leader

PepCat officers show their spirit while leading the Pep Club in handdrills,

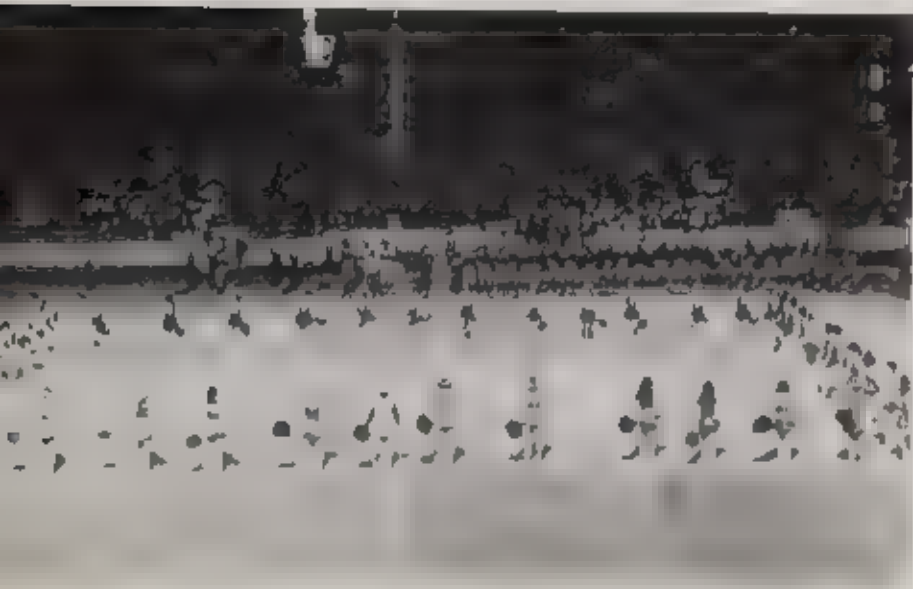

The Catettes' intricate formations entertain the spectators before each home game.

During summer practice, the Catette lieutenants form a word familiar to all who inhabit Wildcat Hill.

Everyone shows their spirit during one of the early morning Wildcat pep breakfasts.

After many hours of practice, the Catettes turn out another great performance.

NLRHS Key Club

Provides Services

The Key Club, one of Wildcat Hill's main service organizations, is made up of junior and senior boys interested in serving their school and its facilities. To be a member, one must keep up a good grade point and have acceptable citizenship marks. Among the Key Club's main projects is the collection of food for the annual Thanksgiving Assembly, and the sponsorship of buses and bonfires before Wildcat athletic events.

This emblem of the Key Club was used to decorate the club's basket in the Thanksgiving assembly.

Key Club officers (left to right) Jim Berry, Lou McAllister, and Mark Flurry enjoy one of the many dinner meetings.

(left) During every home basketball game, the members of the Key Club operate the concession stand.

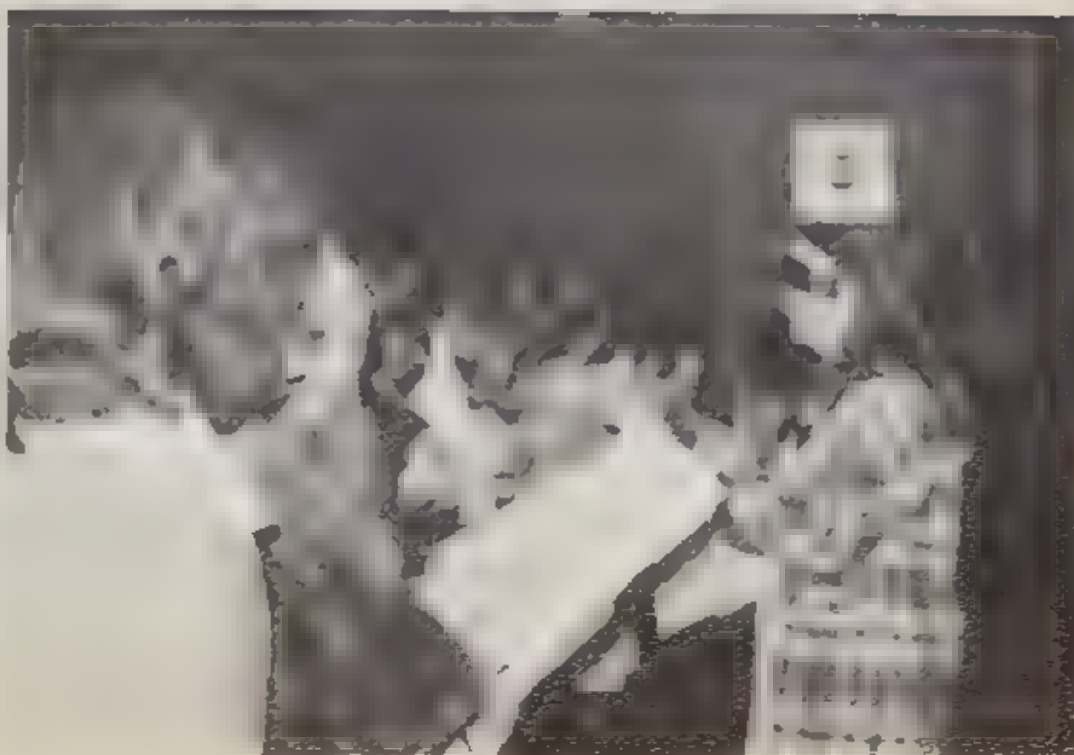

Y-TEENS - Interested in Others

Y-Teens, a branch of the YWCA, functions as a service organization in the school, city, and state. This year's Y-Teens proved this true by contributing the largest amount of food at the Thanksgiving Assembly, making Kiddie Bags for the needy children, and helping to make Christmas more alive for the Tucker Prison Farm inmates. The Y-Teens also sponsor the annual Dream Boy contest.

Officers of 1969-70 are Debbie Usery, Vice President, Marl Steemburgen, Treasurer, Barbi Yedlick, President, and Liz Traylor, Secretary.

Debbie Jo McAllister, City Y-Teen Treasurer and a NIRHS Y-Teen, leads Y-Teens from the Little Rock area in Christmas carols at Tucker Prison Farm.

Interact Club Stands for Service

A new service organization on the Hill, the Interact Club has sponsored many worthwhile projects. Along with their Thanksgiving contributions, Interact members decorated and contributed to needy

Even though it was their first year at NLRHS, the Interact Club members came in second place in the clubs division during the Thanksgiving Assembly barely defeated by the Y-Teens.

homes during Christmas and sold license plates as a money making project. They also sponsored an informative assembly on the draft.

Officers of the Interact Club are president Jim Hall, vice-president Barry Davidson, secretary Patil Stanley, and treasurer Kent Chrisman.

Red Cross Promotes Youth

The 1969-70 officers for the Red Cross are: Adele Van Overbeke, President, Wendy Westlund, Secretary, and Joanne Santz, Vice-President

For the first time in Wildcat history every homeroom was 100% in the Red Cross membership drive. The total amount collected was \$450.00. The winning homeroom was I-5, which raised a total of \$29.46.

Stage Crew Vital To Productions

One of the duties of the Stage Crew is to control the master lighting panel during programs and assemblies.

The stage crew also is responsible for the construction of various sets for NLRHS productions. Shown here is the set used in the Senior Play, "Up the Down Staircase", consisting of several levels and a classroom.

One of the unique groups on Wildcat Hill is the stage crew. Responsible for several thousand dollars worth of equipment, the crew does a fantastic job.

Their work does not end with the school day, but goes on many hours after school in the form of preparations for the Follies, All-School Musical, and the Senior Play. They are also responsible for the lighting, curtains, and sound systems for all assemblies.

Film Crew Assists With Audio-Visual Aids

Through Audio-Visual Aids, teachers are able to bring the world into the classroom. Films, tapes and records enlarge the subject being taught and make class more interesting.

These materials require care and proper use, provided by a group of students who give their time to the film crew.

James Stone prepares film for a class.

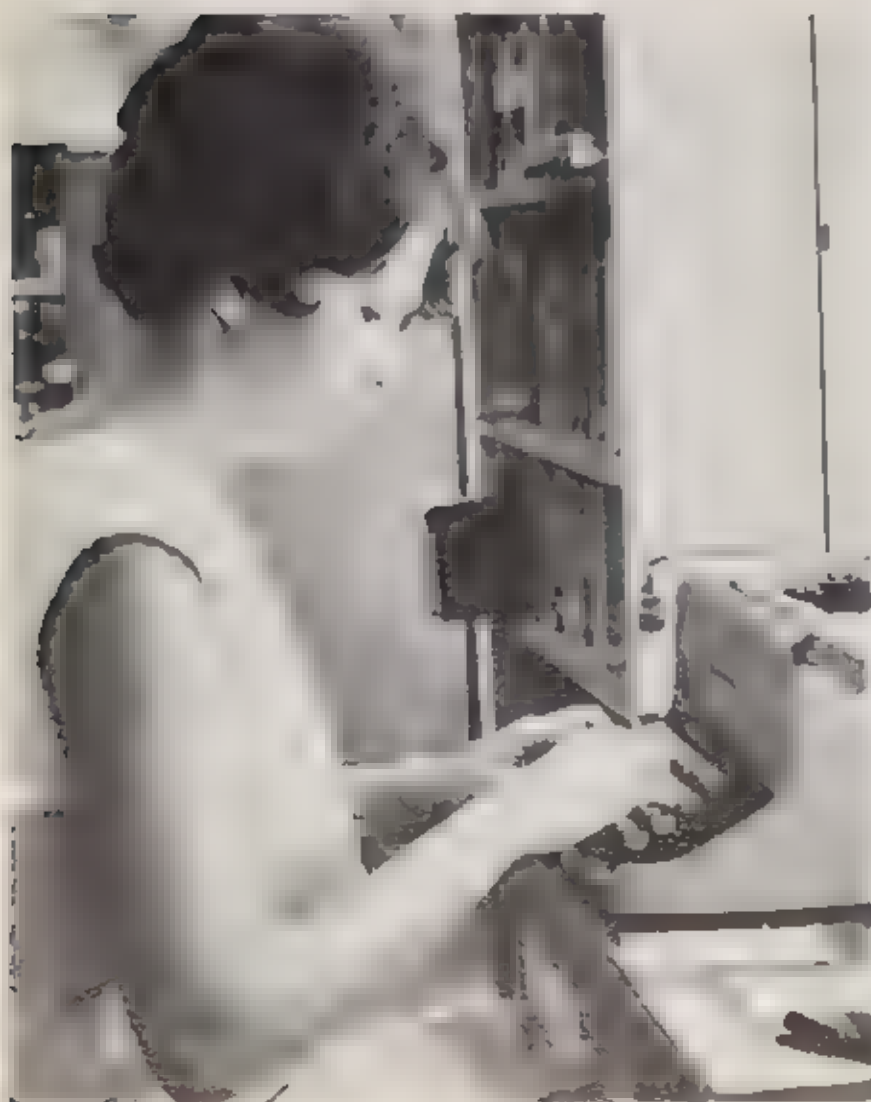

(above) Mike Whorrel and Rex Gower check film schedule. (left) Second period monitors look over machinery.

Dedicated Bookworms Assist Student Body

Student librarian Paula Cotton assists Pam Warren as she checks out a book.

Officers of the Bookworms are: Brenda Fisher, Vice President, Judy Johnston, President, Nancy Hanks, Secretary.

(above) Mark Freeman and Debbie Pounders give daily announcements, (right) Janet Brinkly studies during a quiet moment as hall monitor.

Monitors Serve Faculty and Students

Forfeiting their much needed study hall, monitors serve the school in many capacities. In the guidance office, the book store, helping the dean, or in the main office, they save many steps and much worry.

(above) Mrs. Elam sends guidance monitors on an errand, (right) A between class transaction in the bookstore.

Future Teachers Anticipate Careers

The R. B. Brawner Chapter of the Future Teachers of America had numerous projects during the course of the year. They included the annual tea honoring the faculty of NLRHS and making the emblems for the Centennial Pageant which was held in Little Rock.

Mrs. Lynn Tarkington served as faculty adviser to the club.

Officers are Gayle Camp-reporter; Mary Beth Zorn-historian; Mary Helen Gooch-secretary; Mary Williams (sitting)-State FTA historian; Janice Chaplin-vice president; Linda Jones-president.

Janice Chaplin pours punch for Miss Mary Law during the Teacher's Tea. Mr. Raymond Burnett receives boutonniere from Linda Jones. Mary Williams and Linda Jones display Centennial emblem.

Chapel Offers Inspiration

Sponsored and planned entirely by students, Chapel offers to interested students a few moments of devotion at the beginning of each school week.

With the exception of an occasional guest speaker, devotions, songs and scripture reading are prepared by the Chapel Leaders or other students.

Chapel Leaders are: Debble Dunn, Robert Smith, Sharon Ashberry, and pianist Kathy Pitt

Jim Berry
President

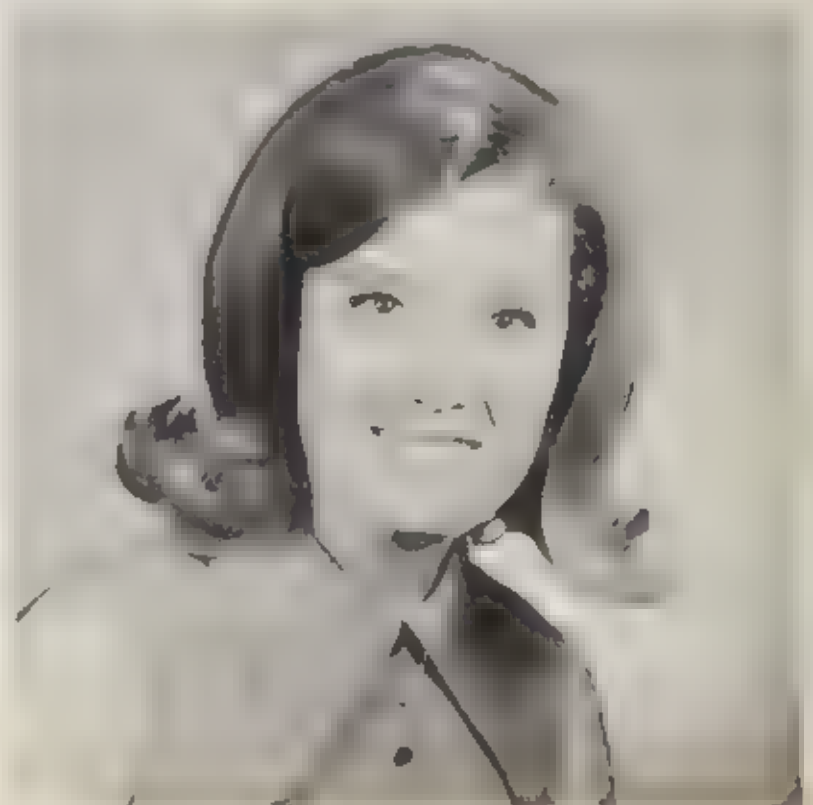

Vice-president Jay Herndon

Secretary Micki Allen

Elected by popular vote of the Student Body after a spirited campaign, these four Seniors head the Student Council, the student governing body of the school. Council members are chosen by each class, ten representing each class.

Treasurer Patti Stanley

Seniors: Kent Chrisman, Liz Griffin, Susan Hopkins, Cindy Johnson, Travis Parr, Ricky Porter, Cynthia Shadid, Linda Smith, Kay Tucker, Donna Wolfe, Juniors: Jon Blackwood, Cindy Dodge, Debbie Duncan, Cliff Furcron, Charles Harrison, Missy Merrick, Steve Parr, Donna Riley

Student Council

Liz Traylor, Kathy White, Sophomores: Louann Adams, Becky Burnham, Jane Diederich, Patty Hankins, Penny Hoggard, Jim Hurley, Janet Maxwell, Jan Meyer, Larry Webb, Debbie Williams

DAAR Awards

Each year an outstanding Senior girl and boy are presented with a citizenship award by the local chapters of the Daughters of the American Revolution. These awards are based on patriotism and citizenship shown during the high school years.

Tommy Carpenter

Connie Hoxie

Bausch Lomb Award

Larry Ketcham

The Bausch and Lomb Award is given each year by the Science teachers to the senior science students who have ranked highest scholastically during their three years on Wildcat Hill. This year Larry Ketcham and Jim Berry tied for the honor.

Jim Berry

Edwin Fuller
First runner-up

Fowler Fowler
Second runner-up

National Merit Scholars

NLRHS's thirteen National Merit Finalists have brought glory and distinction to both themselves and the school through their performance on the National Merit Scholarship tests. Several -- perhaps all of these -- will be announced as winners of one of the national scholarships on graduation night.

Marching Catettes

Captain Jane Baker

The 50 Catettes are perfect examples of the great Wildcat spirit. Giving up many hours practicing and learning perfect queen-annees, marching skills and dance routines, the Catettes show that they are truly Wildcat boosters. They have brought many honors to Wildcat Hill including first place in Division One Advanced Marching at the SMU Drill Team School, earning the title of "All American Drill Team," the first of such in Arkansas.

The Four Lieutenants: Nancy Carmean, Peggy Griffith, Cassie Norman, Dee Schulten

Boys' Girls' Statens

Leadership, scholarship, character, service, and patriotism were the qualities most important in the section of these 19 Seniors who represented North Little Rock Senior High at Boys' and Girls' State in June of 1969.

Boys' and Girls' State are sponsored by the American Legion and its Auxiliary, and the money to defray the expenses of the representatives is given by concerned business and civic groups. Its purpose is to give those attending a closer look at the workings of our form of government at all levels.

NLRHS Dream Boys

Sponsored by the Y-Teens, the Dream Boy election names the three boys who poll the most votes among the girls in their respective grades. Nominations for the ballot are made by the girls in each home room.

Senior boy who wins the honor is declared Mr. NLRHS. This is the third year that Don Brown has been chosen Dream Boy by the girls in his grade.

Publications

Honors

Mr. and Miss Publications are members of the Student Publications staff who helped insure the financing of their school newspaper and annual through the highest individual sale of advertising.

Marsha Freeman
Miss Publications

Ron Stone
Mr. Publications

National Honor Society

One of the most coveted honors at NLRHS is a place in the 51-member National Honor Society.

To obtain membership, one must display the qualities of leadership, scholarship, character, and service; and take an active part in school functions.

As one of their many service projects, Honor Society members have for 5 years supported an orphaned Indian girl, Pronati Dadel.

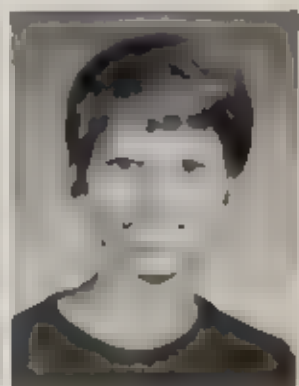

Pictured here are the officers of the Honor Society for the 1969-1970 school year. They are as follows: Mary Hibbard, Secretary; Bonnie Howard, Treasurer; Roger Fowler, President; Debbie Ussery, Vice President; and Louise Pace, Reporter.

Class of '71

The "Middle Cats" on Wildcat Hill are in the unique position of being better than the worst and not as good as the best. Meaning that the Class of '71 is training for the position of "Top Cat" on the Hill.

For some however, this is their last year on the Hill, for others the realization that next year they will control Wildcat Hill and rivalry will begin with "the other high school."

Sophomores are dreamers of dreams

The Class of 1972 marks an ending and a beginning atop Wildcat Hill--the ending of undivided classes and loyalties and the beginning of a new cross-town rivalry with Northeast High.

Their goals are those of every sophomore: good times, good friends, and the attainment of the top position on Wildcat Hill---Seniority.

THE COMMUNITY HEALTH TEAM

As pharmacists, we are proud to stand alongside your physician on the community health team—to serve him and serve you in the fullest interests of better health for everyone.

Our function on the team is to compound and dispense medicine for which we are eminently qualified.

Your physician will diagnose your case and prescribe the medicine you require. Bring your prescription to us for compounding.

Mrs Thompson

I feel as though you and I are relatives of some kind. Its been a great "2" years. I'll always remember you. Remember when the going get tough - take your anger out on a canvas.
Love,
James Stokes.

"Prescriptions Our Specialty"

Congratulations to the Class of '70 from a member of the Class of '49! It has been a sincere pleasure working with the graduating Key Clubbers the past three years.

GOING TO COLLEGE?

If so you're eligible to apply for our COLLEGE LIFE PLAN. The premium is only \$40.00 per year for \$10,000.00 life insurance and remains that low cost until age 28 when the policy is automatically converted to Ordinary Life--regardless of physical condition. Just call us for complete details. We hope you will make this one of the things you do before starting college in the fall.

You Pay for a Business Education Whether You Get It or Not

Comparative Life Earnings: — — Institute of Life Insurance

It is estimated that the untrained man goes to work at 14 and reaches his maximum at 40, with a life earning of \$178,000. It is thought that more than 50 per cent of the untrained workers are dependent upon others after the age of 60.

The high school graduate rises steadily to his own maximum at 50, with a life earning of \$243,000

The business school graduate, since his income depends upon his mental ability and training, is constantly improved by practice; his income increases rather than diminishes. The graduate in business administration reaches his maximum at 60, and has a life earning of \$347,000.

These estimates and figures are conservative, but the equivalent between each bracket would be in proportion to the dollar value in difference mentioned above.

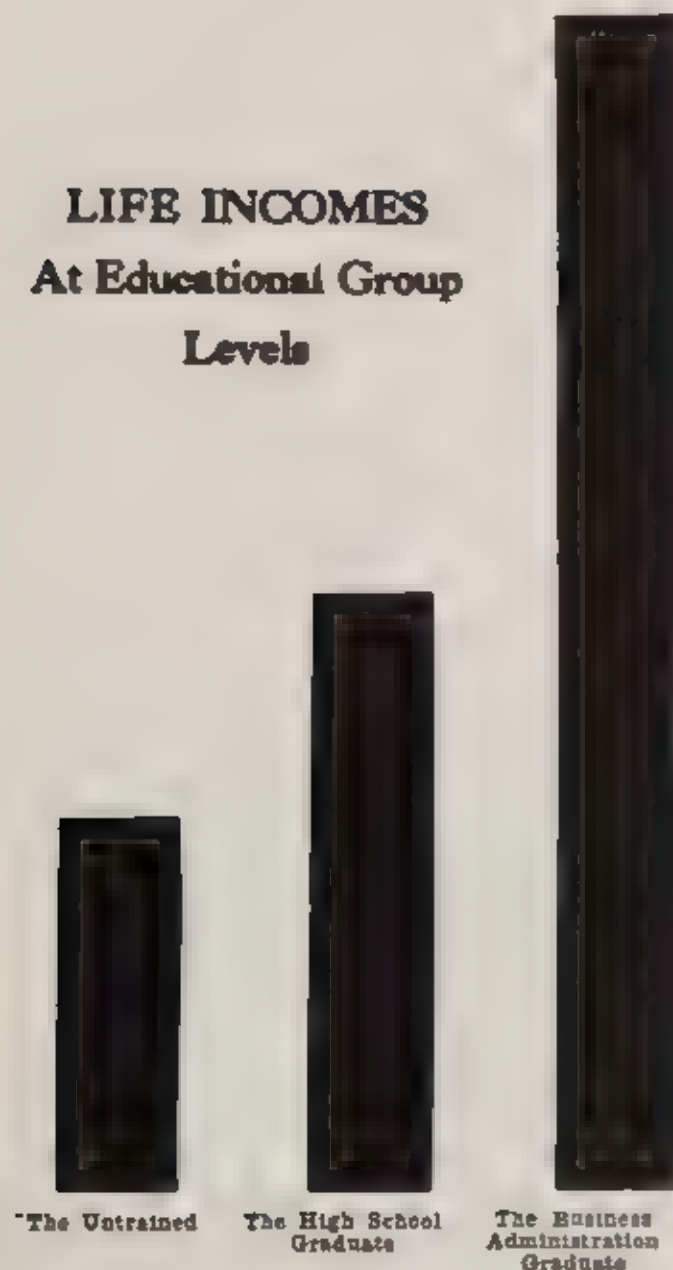

ACCREDITATION OF SCHOOLS

The accreditation of a school is universally accepted as a guarantee of educational respectability. It means that some recognized agency has investigated the institution and found that it has at least the minimum physical facilities, financial stability, and faculty personnel necessary to offer in a satisfactory manner the educational program or programs it claims to offer.

MEASURE YOUR ABILITY

1. What does unemployment mean to you?
2. Does your present effort represent the best that you can do for yourself?
3. Would an extra skill, or additional knowledge, give you a better chance to get ahead?
4. Are you contented to keep on, year after year, doing the work you are now qualified to do?
5. Have you any assurance of advancing to a larger income and greater opportunities without additional specialized training?
6. Will you ever have a better chance to prepare for a business career than you have right now?
7. Don't you believe proper training will give you confidence and enlarge you to an outstanding job when competition is greatest?
8. Don't you think what you do in the months immediately ahead will largely determine the kind of life you are going to lead during the next 40 years?
9. Don't you think an office position provides a steady income, pleasant surroundings, paid vacations, regular hours, and unequalled opportunities for advancement?
10. Don't you think business training at Draughon School of Business would increase your ability to select your position instead of taking a job?

Mrs. Thompson,

you are the sweetest person that I have ever had for a teacher. I always looked forward to coming to art class each day. Had it not been for your class I don't know if I could have made it as much as I did this year. I will always remember this year, hardships and all, it's been Wonderful

Congratulations to the
greatest Senior Class ever!
The Class of 1970

Love
Nedda
Ward

Mrs.
Thompson,
I honestly
believe
that God
sent you
as angels
sorry bout
that
May be be
with you
always

Dear Mrs Thompson,
I've learned a lot
from you this year, I
mean a lot more
than art - Mirrors - I still
graduation gifts
don't think I can draw
worth looking into
But I know now how
to draw a picture of my
life before me. So
you taught me

18th & Pike, N.L.R.

Upon seeing this book all the hard-work and tension filled days are forgotten.
It's funny to think that this year is over, and all we have left is this book of beautiful memories.

This is it, this is the last annual many students will get from NLRHS, and it may be the first. Both important to the owner.

Because of this we would like to thank all the people that gave up their time to sell ads, to bring this book into existence, into life.

This is our gift to the students and faculty of North Little Rock High School.

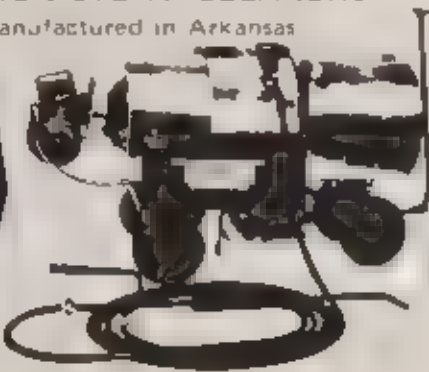

Marsha Freeman--advertising manager
Linda Jones--advertising assistant.

Mrs. Thompson,

It has been great knowing you these past three years. You have made my stay on Wildcat Hill enjoyable. I will never forget you and I try to come back and visit you often. I hope you will remain as sweet and understanding as you are now.

Delaney
Dulany
SR. '70

Mrs. Thompson,

We're new. Known a teacher to be so loving and understanding with her students. I have loved being in your homeroom just as I have loved your friendship. I'll never forget you, art, or your wonderful homeroom. Thank you for all you done and meant to me.

Kore.
John

Mrs. Thompson,
I believe you are one of the best teachers I've ever had. You understand everything about people. I wish you lots of luck in the future.
Steve Davis

Mrs. Thompson,

I've loved having you as my homeroom teacher these past years. To me you've always been much more than a teacher and I'll always remember you. I hope someday I'll see you again.

Love,
Ruth Davis

Oh how I wish there was
year art. lots of love
packed

Alan -
I've been giving out
around 100% over what I
wrote & out your which should
be a relief to some people & just
thank for the joint the course is a
long time

Mrs. Thompson,

It is been great having you for a teacher. You are so inspiring. I enjoy it so much to work beside you. I will enjoy being in here next year.

Love,
Robb
McAllister

Looking back, it is difficult to believe that another year is over and all that is left of it is an annual full of photographs and copy.

We have tried to make the 1970 Wildcat representative of our year here. Maybe the school didn't look this way to you; and you may think that at times we've generalized, glamorized, perhaps made things look better than they were. But there are so many things we could never photograph or write about:

- . . . like the windows that rattle in the wind . . .
- . . . morse code on the radiator pipes . . .
- . . . math study hall where you didn't study math . . .
- . . . the day you learned to like HAMLET . . .
- . . . hellos, good-byes, and your locker partner . . .
- . . . getting out early on Thursday . . .
- . . . trying to deceive substitute teachers . . .
- . . . laughter and letdown . . .
- . . . and that intangible thing called Spirit . . .

Eventually, we will forget how we griped about the food in the cafeteria and the boring study halls, the long days, the work, the endless wait for the sixth period bell, and the seeming lack of personal freedoms. Those things will be exchanged for a report card and a diploma, and other things that can never be forfeited even when names and faces become vague.

As Rod McKuen so aptly put it:

"I've been going a long time now along the way I've learned some things.

You have to make the good times yourself
take the little times and make them into big times
and save the times that are all right for the ones that aren't so good."*

Thanks to everyone who has made this book possible -- our artist, Jan Masters; our photographers, Jimmy Sebring and Brooksher Banks, Miss Katye Russell, our adviser, and to all the faithful staff members who sold ads and typed and sorted pictures and offered advice --- and of course to the entire population of Wildcat Hill who gave us the story to tell.

Thanks, also, to our patient and wonderful printer for getting it all together here so beautifully.

If we in any small way have given you, our fellow Wildcats, by something we've written or represented, the memory of the little things --- the good times --- then we've succeeded, and your 1970 Wildcat is a success.

Anyway, we loved doing this book.

Alic Schulten

Mrs. Thompson
You the best
teacher I've
ever had.
You've taught
me so much
about life

Love
Frank
Sr. To

to 10

Mrs. Thompson
Remember when I
was in the
future Mrs. Thompson
stay as lovely as
as sweet as you are.
Love
Gary
3R-20

Mrs. Thompson,
You are the most wonderful
teacher in the world! you
are truly a beautiful person and
in every way. Thank you for
making second period a very enjoyable
class. I will certainly miss you when
I am out of high school, but I will
always remember you as my favorite
teacher.

lots of love,
Verna
(2nd Period)

Mrs. Thompson
I have really enjoyed
your class this year. If
more teachers were like
you, maybe we wouldn't
have so much trouble
in the schools. I like
a free, casual, friendly
atmosphere.
Love,
Kathleen Murphy
(2nd period)

Mrs. Thompson,
You've taught me a great
deal about art but still
you taught me something
else that I believe will
benefit me even more.
God Bless you
You'll be in my
prayers.
Brenda
"7"

Mrs. Thompson
 It has really been great
 being in your homeroom for all
 the years I was in this school.
 I hope you stay the sweet lady
 you are and don't ever change.

Mrs. Thompson,
 I've got a long
 long way to go in the
 study of art, but I've
 come quite a ways since I
 first entered your class two
 years ago. Thanks for giving
 me the opportunity -
 Sally McBee
 class of '70
 1st period

Be aware, Mrs T.
 I'll always appreciate
 your conscientious help.
 You are so wise, I envy
 you. Watch yourself.

Love
 Robert
 Dudley

Mrs Thompson,
 It's been great having
 you for a teacher these
 past two years. You've
 helped me to achieve goals
 I dreamed that I would
 reach. Thank you so much
 for your help and guidance.
 I may God bless and
 you. Love always
 Cindy
 Stephens
 "70"

Mrs Thompson,

I've really enjoyed being in
 Art. You have taught me a lot
 of new things. Whenever I finish
 my I will come by and show
 it to you. Love,

Mary Lou ('70)

live really enjoyed being in
your class for 1st & 2nd year
art. You're really great.
Donna Hampton
Sr. '70

Mrs. Thompson,
You have been so
good and patient with
me and helped me
to discover myself in
more ways than just
art alone. Thank you
so much for just being
you & helping me to be
"me".

O all who perchance read wistly these lines,
and the days ye remember thereby.

Good b'w'ye as the last oreword is sung
of me, teall of North Little Rock High.

My story is ended my ballad is spent,
and though it gars me greet with woe,
it is a proud song and not a lament
for gude hearts cherish it so.

Much Love &
Appreciation,
Helen
Beene
